SCHOOL ORGANISATION AND ENROLMENTS 2017

It is at this time of year that we are beginning our organisation for the 2017 school year. If you are moving out of the area and leaving our school please inform the office of your intentions. Similarly, if you are aware of any students moving into our area who will be attending our school in 2017 please ask the families to make contact with the school.

TREATMENT OF HEAD LICE

Head lice are a very common problem that most parents and teachers are more than familiar with. The school holidays is a great time to treat your child for head lice, just before they come back to school for Term 4. Here are some treatment tips:

- Do not treat your child if their scalp is irritated or inflamed
- Always read the head lice product label and directions before you apply it to your child's head. Products can be found in local chemists
- Apply the head lice product to every strand of your child's hair

and work through, leave for 20 minutes, and comb out with a good quality lice comb

- Check your child's head and if dead lice are found, the product has worked. However make sure you re-treat your child's head in seven days to catch nymphs that have emerged from unhatched eggs
- Reduce the risk of your child catching head lice by tying their hair back or braiding it.

Where: School Hall

Parents of students in Years 5 & 6 are invited to attend. The Police Youth Liaison Officer will be coming back to speak to our Early Stage 1, Stage 1 and Stage 2 later in the year.

EDUCATION WEEK 2016

We are all getting very excited about our Open Classrooms and PBL Launch assembly this Friday from 9am. Students have been busily practising our new PBL song for the assembly and they sound great. We hope that you will be able to join us on Friday for our Open Classroom, PBL assembly and morning tea afterwards in the hall.

AMAZING WORK

Last week I had a chance to visit some of our Stage 1 classes and see the fantastic work that students are doing. 1/2K were using their technology skills to research information about frogs and they were able to tell me some very interesting facts. 1/2S were drawing very detailed illustrations about a book that they had been studying called "Banjo and Ruby Red." It was wonderful to see students engaged in their learning, working together and trying their best. Keep up the wonderful work, Chittaway Bay.

Have a great week of learning Chittaway Bay Public school,
