THE PARTNERS IN LEARNING PARENT FEEDBACK SURVEY

This Term, our school will be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement.

The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement. Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school.

These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically take 15 minutes or less to complete and is completely confidential.

The parent survey is now open and can be accessed through:
<https://nsw.tellthemfromme.com/2272p>

If you would like to complete your survey at school the computer room will be open each day next week from 8.30am-9.30am.

Participating in the survey is entirely voluntary, however, your responses are very much appreciated.

SCHOOL ORGANISATION AND ENROLMENTS 2017

It is at this time of year that we are beginning our organisation for the 2017 school year. If you are moving out of the area and leaving our school please inform the office of your intentions. Similarly, if you are aware of any students moving into our area who will be attending our

school in 2017 please ask the families to make contact with the school.

2017 ENROLMENTS

We have begun our planning phase for 2017. It is important that we have accurate numbers of kindergarten students who will be coming to our school in 2017. If you have not yet made contact about enrolment for 2017 please do so as soon as possible. If you know of any community members who have children that are due to start next year, please ask them to make contact with the school's front office team. Kindergarten orientation will begin on 13th September.

OPEN CLASSROOMS AND PBL LAUNCH

What an amazing day we had on Friday to celebrate Education Week. Thank you to all of the parents and family members who were able to join us to celebrate the launch of our Positive Behaviour for Learning and also visit students in the classrooms to see all of the great work that they are doing. Many of us went home very tired but also very proud on Friday of our wonderful students and the PBL expectations that they continue to learn and show at Chittaway Bay PS.

I would like to say a huge thank you to our teachers for all of their hard work before and on the day and also for cooking lots of yummy cupcakes.

A big thank you also to our P & C for purchasing the student PBL wrist bands and serving tea and coffee at our morning tea after the launch.

Well done, Chittaway Bay PS!

TUGGERAH LAKES LEARNING COMMUNITY STUDENT LEADERSHIP CONFERENCE

Last Thursday some of our Year 5 and 6 students attended a Leadership Conference with our other local schools at Magenta Shores. The students listened to guest speakers and also attended workshops on communication, collaboration and leadership. I was very proud of our students excellent behaviour and engagement during the day.

OLYMP-A-THON

Plans are underway for The Chittaway Bay Public School Olymp-a-thon on Friday 16th September. Students will participate in lots of different and fun sporting activities throughout the day. Please continue to support your child to collect sponsorship for this event. Money and forms are due back to school on Friday 9th September.

SASS RECOGNITION WEEK

This week we recognise the great job our SAS Staff do in our school.

Our SAS Staff, coordinate our administration and office, assist teachers and students, maintain our grounds, and support our Library. We could not operate without our wonderful SAS Staff at Chittaway Bay. Thank you Mrs Thoseby, Mrs Cook, Mrs James, Mr Jackson, Mrs Ramsay, Mrs Buck, Mrs Roy, Mr Fuller, Mrs Swadling, Mrs Poulson, Miss Thoseby and Miss McLellan, we appreciate all that you do.

HEALTHY LUNCHES

Healthy lunches and snacks are important for active children. It is important to offer healthy lunch box choices. Tips include adding fresh fruit, crunchy vegetables and a combination of protein, dairy and carbohydrate foods.

Eating healthy food helps children concentrate and learn. Encourage your children to help choose and prepare their own lunch. They might like to make a list of the foods they enjoy. Praise your child when they choose healthy foods for their lunch box. When a child or an adult eats healthily and maintains a healthy body weight, they have less risk of developing chronic health problems such as diabetes or cardiovascular disease. Eating healthily and regular physical activity can lead to a healthy body weight, which can help to promote a child's self esteem. Make sure that fruits and vegetables are a part of lunch for your child. Low fat or non fat dairy should be selected over regular fat milk and cheese. Make lunch fun by packing a note for your child, cutting up healthy sandwiches into fun shapes or adding low fat flavoured milk to their lunch box and keep processed foods to a minimum.

ONLINE PAYMENTS

We have now begun to accept online payments using the Department of Education's Parent Online Payment (POP) system. A button to access this new online payment system titled '\$ Make a Payment' will be visible on the utility bar on the front page of our school's website at www.chittaway-p.schools.nsw.edu.au By selecting this link, parents and carers will be taken to a secure Westpac QuickWeb payment page from which they can make online payments.

Please note: As a Westpac-hosted solution cardholder and account details will be held securely helping to protect the school and its customers from fraudulent transactions as well as assisting in meeting the Payment Card Industry Data Security Standard (PCIDSS) compliance requirements.

Please note that Parent Online Payment is for school payments only. Payments for the canteen and uniform shop cannot be paid through this method.

Have a great week of learning Chittaway Bay Public school,
Mrs Ruth Goodwin
Principal

Dear Parents,

This year school for students finishes on Friday, 16th December. Teachers are scheduled to attend Professional Learning Programs on the School Development Days, Monday 19th December and Tuesday 20th December.

This year we have already attended two additional afternoons and are proposing to attend two more afternoons in lieu of the two school develop days at the end of the year. Children would not attend school on these days as they are teacher training days so they are not affected by the change in days. The first additional afternoon will be on Wednesday 7th September where staff members will attend a Building Better Learners Conference with our colleagues from the Tuggerah Lakes Learning Community. The second afternoon will be in Term 4 where we will review our School Plan and write our Strategic Direction milestones for 2017.

In order to gain approval for the variation we need the support of the majority of our school community. Therefore, if you oppose this plan, could you please return the slip below **Thursday**?

VARIATION TO TERM 4 SCHOOL DEVELOPMENT DAY

I am opposed to the proposal that teachers hold Monday, 19th December's School Development Day over two afternoons in Semester 2.
