## World Champion

It is not every day that you become the World Champion in a Sync Traditional Forms and Koshiki but Jordan in 5/6K has done just that! Jordan competed at the ISKA Martial Arts World Championships which was a 3 day event held over a weekend. Jordan and her sister, along with their Sensei, won the World Championships in a Sync Traditional Forms. Jordan also won 1st place World Champion in Koshiki. The Grand Championships where held at night at the end of the World Championships where each World Champion competed head to head to become Grand Champion in front of over 1000 spectators. They won this as well and are now World Cup Grand Champions. Jordan also came fourth in Kata and Clash Fighting. Jordan has been selected in the Australian Team to compete in the US Open World Championships in Orlando, Florida next year. We are very proud of Jordan and look forward to hearing about her adventures in Orlando, where we know she will do well. Well done, Jordan, on your amazing performance and selection in the Australian team.

## Great work

Last week Grace came to show me her extraordinary experiment which measured the amount of moisture from leaves. She had devised a way of capturing the water from the leaves and then transferring it to measure. Great work, Grace!

### **"My Water Collecting Device"**

I made my water collector in my dad's workshop. He showed me how to cut up all the pieces and drill the holes. Once we had cut out all the parts we glued them together.

My water collector shows you how you can collect water in the bush if you get lost. All you need is a tree with lots of leaves and a plastic bag to tie around them to collect the water. As the tree sweats, the water then drips into the plastic bottle for you to drink out of later."

## Music: Count Us In

This Thursday our students will be participating in Music: Count Us In. Music: Count Us In (MCUI) is Australia's biggest school initiative. In 2016, more than 600,000 students from over 2,500 schools participated nationwide. Music: Count Us In brings teachers, parents, students and the music industry together in celebration of music and music education. Music: Count Us In exists to advocate for improved access to music education for all students across Australia. The students at CBPS have been learning this year's song, 'Shine Together.'

The day is celebrated nationally with all registered schools singing the same song, on the same day, at the same time. Our students will be singing the song in our school hall along with the live stream event so that we can tune in and feel connected to the rest of the country as they sing the song that stops the nation!

## PPA Conference

Last week I attended the NSW Primary Principal's Association Conference in Sydney. The theme of the conference was "Turning mirrors into windows." Over the three days I had an opportunity to listen to both educational and motivational speakers as well as a presentation from Mark Scott, Secretary NSW Department of Education. The three days were an amazing opportunity for me to learn and also reflect on our wonderful school and ways that we can ensure that we are providing a quality education for all students as we develop our 2018-2020 School Plan.

## PBL

This week's PBL focus is being Safe, Responsible, Respectful and Engaged whilst out in the community. Students will be learning about and discussing how to be safe when on excursions.

## Sun Safety

Now that the weather has started to become warmer please make sure that your child has a hat for school every day and that they also bring a bottle of water. At Chittaway Bay Public School we are a registered SunSmart School with the Cancer Council. As a school we have a sun safe policy and ensuring that we all work together to keep our students, teachers and parents SunSmart.

## Sun Safety

Education & Communities

Protect your skin

Australia has the highest rate of skin cancer in the world. The majority of skin cancers in Australia are caused by exposure to ultraviolet (UV) radiation from the sun.

### Protect yourself in 5 easy steps

**Slip** on sun protective clothing

**Slop** on SPF30+ sunscreen. Reapply every two hours

**Slap** on a broad-brimmed hat

**Seek** shade

**Slide** on wrap-around sunglasses

Check your skin regularly and see your doctor immediately if you notice a spot that has changed in size, shape or colour

## Safety learning program

### Parking Restrictions Outside Schools

#### KIDS LOOK TO US TO KEEP THEM SAFE - PARK LEGALLY IN SCHOOL ZONES

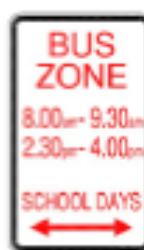

Central Coast Council would like to remind parents of parking restrictions outside your school. Please pay close attention to the signs outside your child's primary school and watch your speed when travelling through all school zones.

##### NO STOPPING zone

Stopping is NOT permitted at any time.

##### BUS ZONE

Stopping is not permitted during the times shown on the sign.

##### DOUBLE PARKING

You are not permitted to stop OR park alongside another vehicle already parked parallel to the kerb. This means do not form a queue in the middle of the lane if you are waiting.

Move on, do a loop and come back.

##### NO PARKING zone

Drivers may drop off and pick up children during the times shown on the sign BUT note:

- Maximum stopping time is 2 MINUTES – your child must exit and enter the car within this time.
- Driver must remain within 3 METRES of the vehicle – you may get out to help with bags etc.
- Stop as close as possible to the top of the zone to allow access for vehicles following behind.

Stopping ON or ACROSS a driveway or other access point to and from a property is not permitted under any circumstance.

You must always consider the school's neighbours by leaving space at their driveways to allow safe exit and entry to the roadway.

Travelling more than 40 km/hour through school zones may inhibit a car from stopping in time to avoid hitting a pedestrian. Parking illegally also creates serious risks as it limits the vision of other drivers.

It only takes a split second for an accident to occur and only one car to present a danger to an unknowing child.

**Please be aware of the restrictions and park safely outside your child's school.**

For more information regarding parking restriction around your school please contact Council's Road Safety Officers via email at: [roadsafety@centralcoast.nsw.gov.au](mailto:roadsafety@centralcoast.nsw.gov.au)
