Band News

Is your child interested in joining the band next year? Would you like more information on the School Band program? The *School Band* is now taking enrolments for 2018 and participation is open to all students who are *currently in year 2-5*. No prior experience is required.

Students are attending (or may just have) a Demo Concert by the band and *Teaching Services Australia (TSA)* staff demonstrating the variety of instruments available for tuition next year. They will have received a *green* Instrumental Band Program-Introduction with a tear-off Expression of Interest form. Students who return this tear-off form asap will be given the opportunity to test a variety of instruments to help them find the one most suited to them. The Great Benefits of the School Bus

Have you considered looking into using the school bus service as a way of getting to and from school? Here's some information you may not have known that will help you make up your mind.

Kids catching the bus instead of parents driving them to school has so many benefits, mainly it can help by reducing the congestion that increases unsafe behaviours.

Did you know that bus travel is the safest form of land travel in Australia?

Did you know that school children between the ages of 5 and 16 years, travelling to and from school, are substantially safer travelling by bus than other modes of transport?

Did you know that studies run by the Institute of Transport and Logistical studies, University of Sydney show that travelling by bus is 4.4 times safer than walking, 55 times safer than riding a bike and 1.38 times safer than being driven to school?

Did you know that until the end of Year 2 bus passes are free for all students?

Did you know that if you live over 1.6km (most direct route) from the school, you can get a free bus pass?

Did you know that it only costs approx \$1/per day (\$52/term) to get a bus pass?

Other benefits of catching the bus to and from school include:

- Reducing traffic around the school, thus increasing safety for all our kids
- Reducing environmental damage from running your car
- Not having to get to school ½ hour early to get a parking space
- Promoting and encouraging safe independence with our children
- Drop off right outside the school gate (or closer to the school gate then you can get dropping your child safely with your car)
- Extra 'me' time for busy mums.

Talk to your school office or local bus company about bus routes for your school and getting a bus pass.

Parking Restrictions Outside Schools

KIDS LOOK TO US TO KEEP THEM SAFE - PARK LEGALLY IN SCHOOL ZONES

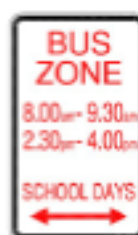

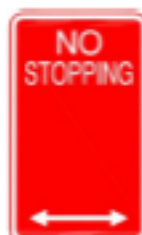

Central Coast Council would like to remind parents of parking restrictions outside your school. Please pay close attention to the signs outside your child's primary school and watch your speed when travelling through all school zones.

NO STOPPING zone

Stopping is NOT permitted at any time.

BUS ZONE

Stopping is not permitted during the times shown on the sign.

DOUBLE PARKING

You are not permitted to stop OR park alongside another vehicle already parked parallel to the kerb. This means do not form a queue in the middle of the lane if you are waiting.

Move on, do a loop and come back.

NO PARKING zone

Drivers may drop off and pick up children during the times shown on the sign BUT note:

- Maximum stopping time is 2 MINUTES – your child must exit and enter the car within this time.
- Driver must remain within 3 METRES of the vehicle – you may get out to help with bags etc.
- Stop as close as possible to the top of the zone to allow access for vehicles following behind.

Stopping ON or ACROSS a driveway or other access point to and from a property is not permitted under any circumstance.

You must always consider the school's neighbours by leaving space at their driveways to allow safe exit and entry to the roadway.

Travelling more than 40 km/hour through school zones may inhibit a car from stopping in time to avoid hitting a pedestrian. Parking illegally also creates serious risks as it limits the vision of other drivers.

It only takes a split second for an accident to occur and only one car to present a danger to an unknowing child.

Please be aware of the restrictions and park safely outside your child's school.

For more information regarding parking restriction around your school please contact Council's Road Safety Officers via email at: roadsafety@centralcoast.nsw.gov.au
