Great work

Last week Jayden from 1/2J came to show me his very neat handwriting. Well done, Jayden! I also had a visit from Chloe in KM to show me her incredible report about Moon Jelly Fish. Great work, Chloe.

Our Stage 2 students have been exploring “Reusing and Recycling” in Science. As part of the unit, students were asked to find a new use for plastic bottles to minimise the build up of waste in landfill. Yesterday 3/4P came to show me their amazing creations. Kiara, Tahlia and Emily made lady beetle plant holders, Dane, Gemma and Coco made sumo wrestlers, Blake made a knight, Riley, Levi and Bridie made a boat, Jasmine made a turtle eraser holder, Holy and Lexi made a monster, Kiarna and Hudson made Minion pencil holders, Charon made an apple, Mackenzie made an apple and a pear and Ella and Bailey made birds. Great work 3/4P!

End of year

This time of the year is a very busy and fun time with only just over two weeks left of our school year. Over the next two and a half weeks we will have many different activities and events happening at school and it is a great time to remind our students about being Safe, Respectful, Responsible and Engaged at all times. All students enjoy the end of year when they display our PBL expectations. Please support your child and the school by discussing these expectations with them at home. Positive Behaviour = Positive Learning.

LMBR Budget Tool Training

On Friday Mrs Thoseby and I attended a full day training at Gosford High School on using the new budget tool for LMBR. This training will allow us to gain the knowledge to budget in our new financial tool for 2018.

SRE Assembly

On Wednesday we will be having a combined Special Religious Education Christmas Assembly in the hall for all students who regularly attend scripture.

Lock down

As part of keeping safe at CBPS we practice evacuation and lock down drills each term. In week 6 all students took part in a lock down drill. Although it was only a practice, all students were extremely sensible and displayed all of our PBL expectations throughout the practice. Well done, CBPS!

Canteen

The canteen will be having a Hamburger Day this Thursday.
The last day for the canteen this year will be Thursday 14th December.

Wishing Tree

Year 6 will be hosting a gift collection for The Smith Family's Toy and Book Appeal. You can help by donating a new toy, book or educational item for a child 0 to 12 years. Gifts can be left at school under our Wishing Tree in the front office. You can also purchase a gift online from The Smith Family's online giving catalogue. Some of our Year 6 representative will be delivering the gifts to The Smith Family in the last week of school.

Social

The P & C will be holding a Christmas Family Social on the afternoon/evening of Wednesday 13th December. This is a family event and will include a sausage sizzle, school performances and a visit from Santa. Parents will need to attend with students and the event is alcohol free. Keep this date free so that you are able to join us for this fun night.

2018

School organisation and Enrolments 2018

It is at this time of year that we are beginning our organisation for the 2018 school year. If you are moving out of the area and leaving our school please inform the office of your intentions. Parking Restrictions Outside Schools

KIDS LOOK TO US TO KEEP THEM SAFE - PARK LEGALLY IN SCHOOL ZONES

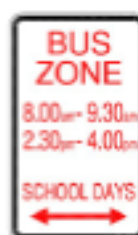

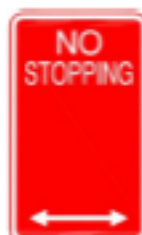

Central Coast Council would like to remind parents of parking restrictions outside your school. Please pay close attention to the signs outside your child's primary school and watch your speed when travelling through all school zones.

NO STOPPING zone

Stopping is NOT permitted at any time.

BUS ZONE

Stopping is not permitted during the times shown on the sign.

DOUBLE PARKING

You are not permitted to stop OR park alongside another vehicle already parked parallel to the kerb. This means do not form a queue in the middle of the lane if you are waiting.

Move on, do a loop and come back.

NO PARKING zone

Drivers may drop off and pick up children during the times shown on the sign BUT note:

- Maximum stopping time is 2 MINUTES – your child must exit and enter the car within this time.
- Driver must remain within 3 METRES of the vehicle – you may get out to help with bags etc.
- Stop as close as possible to the top of the zone to allow access for vehicles following behind.

Stopping ON or ACROSS a driveway or other access point to and from a property is not permitted under any circumstance.

You must always consider the school's neighbours by leaving space at their driveways to allow safe exit and entry to the roadway.

Travelling more than 40 km/hour through school zones may inhibit a car from stopping in time to avoid hitting a pedestrian. Parking illegally also creates serious risks as it limits the vision of other drivers.

It only takes a split second for an accident to occur and only one car to present a danger to an unknowing child.

Please be aware of the restrictions and park safely outside your child's school.

For more information regarding parking restriction around your school please contact Council's Road Safety Officers via email at: roadsafety@centralcoast.nsw.gov.au
