Some of our Year 6 representative will be delivering the gifts to The Smith Family in the last week of school.

Semester 2 Reports

The Semester 2 reports are being sent home towards the end of the term. School reports are graded on the following two elements: Achievement and Application in class (Please note as per Department of Education and Communities report guidelines, Kindergarten students are not graded against achievement.)

Achievement:	Application in class:
E – Limited	L- Low
D – Basic	I- Inconsistent
C– Sound	S- Satisfactory
B– High	H- High
A– Outstanding	O- Outstanding

It is important to understand and reflect where your child is at academically at this time of the year as they prepare to move to a higher grade. Students who are achieving a Sound achievement are performing at the stage appropriate levels and are performing well in class. If your child receives a High or Outstanding achievement grading, that indicates that your child is able to demonstrate a higher level of understanding in

that particular strand or subject area. If your child has an achievement level of Limited or Basic it indicates that your child maybe experiencing some difficulties in the classroom. All students who achieve a Limited or Basic achievement level will be addressed at the stage level and where relevant, referred to the Learning Support Team for further discussion to help support their academic needs. Please do not hesitate to contact your classroom teacher if you would like to discuss your child's report and how you can help your child at home.

The P & C will be holding a Christmas Family Social on the afternoon/evening of Wednesday 13th December. Parliament and Civics Education Rebate (PACER)

Students from our school have recently undertaken an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy. The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

SCHOOL HOLIDAY ROAD SAFETY REMINDER FOR FAMILIES

With the school holidays approaching, daily routines will soon change. Different play locations and holiday destinations means different traffic environments.

So to help keep our children safe, families are reminded about these key road safety points:

- **Stop, look, listen, think every time you cross the road.**
If your child is aged 8 years or younger hold their hand when walking near or across roads. If your child is 9-10 years old always actively supervise them.
- **It's the law that everyone wears a helmet when riding a bike in a public place.**
It makes sense to wear a helmet when riding scooters and skateboards too!
- **Click clack front 'n back every person for every trip.**
Everyone in the car must be securely buckled up in the right seatbelt or child restraint.
- **Talk to your child about being a safe road user.**
Reinforce safe road behaviours by being a good role model! Children learn safe road behaviours from the adults who care for them. Talk about what you are doing to be safe when near roads, in the car and when riding.
- **Point out road safety differences and dangers in new environments.**
This is especially important when on holidays in different surroundings. Roads, footpaths, parks, carparks, bike tracks and bike lanes may look different in holiday areas.

The best way to keep your child safe is to actively supervise them.

Talk and teach your child about road safety every time you are out and about.

Remind other adults who care for your children to do this too.
