**Parents entering School Grounds**

Parents are reminded that when entering school grounds during the day you are required under Workplace Health and Safety legislation to report to the office, sign in and get a visitors badge. Parents need to return their badge to the front office and sign out when they leave. In the case of an emergency we are required to account for everyone on school grounds. This includes all classroom helpers, volunteers and visitors at school for any purpose. Parents bringing children to school and collecting them in the afternoon do not need to do this but during class time these procedures must be followed.

P&C AGM

Our P&C Annual General Meeting will be held on Friday 17th March at 9.15am in the community room. All welcome to come along.

Easter Raffle Donations

P&C would appreciate any donations big or small to our Easter Raffle at the end of this term. Donations could be Easter Eggs, Easter toys, Easter books.

There will be a box in the front office where you can leave these.

Donations needed by Monday 3rd April.

Thank you for your support.

**Parent Meet and Greet**

Thank you to all of families who were able to join us yesterday afternoon for our Meet & Greet. It was wonderful to be able to meet with our parents and enjoy a sausage sandwich with you all.

National Assessment Program – Literacy and Numeracy 2016

In May 2016 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by students in Years 3, 5, 7 and 9. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy skills of students across Australian schools. The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child's level of achievement. Each student's level of achievement will be reported against the national minimum standard.

Student background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student's right to privacy is maintained.

The NAPLAN tests will be conducted from 10-12 May 2016.

Students may be considered for exemption from the tests if they:

- are newly arrived in Australia (less than one year before the test) and with a language background other than English, or

- have significant intellectual disability and/or significant co-existing conditions which severely limit their capacity to participate in the tests.

All other students are expected to participate in the tests. Disability adjustments which reflect the student's normal level of support in the classroom may be provided. Large print, Braille, coloured paper versions and electronic tests are available to meet the needs of individual students.

Access to disability adjustments or exemption from the tests must be discussed with the school principal and a parent or carer consent form must be signed.

Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents in consultation with the school principal. If you wish to withdraw your child from the tests, a parent or carer consent form must be signed.

Please make an appointment with the principal of the school your child attends if you would like to discuss your child's participation in NAPLAN.

Additional information about NAPLAN can be found at

www.nap.edu.au/NAPLAN/Parent_Carer_support/index.htm

Year 6 to Year 7 Applications

Please return the applications for students moving from Year 6 to Year 7 in 2018 by Friday, 17th March 2017.

Newsletter via Emails, School App and Website

We are now sending out our newsletter by email as well as putting the newsletter on our school app and website. If you haven't provided the school with your email address please do so as soon as possible so that we will be able to email our newsletter to you. There are a small number of printed copies of the newsletter available from the office each week for families who would prefer a paper copy of the newsletter.

School App

Communication is an important part of any school and helps with the smooth running and organisation for both families and the school. Our school has a school app which can be downloaded onto your phone. Chittaway Bay Public School Skoolbag App is for parents and the school community. Download this App to be kept up to date with everything that is happening at CBPS. It features Events, News, Newsletters, Documents, and push notification alerts direct from the School.

More funded DV-alert workshops have been allocated to our region: make your application now

DV-alert (Domestic Violence Response Training) is Lifeline's free nationally recognised training program that enables health, allied health and frontline workers to confidently...

RECOGNISE signs of domestic and family violence
RESPOND with appropriate care
REFER people experiencing or at risk of domestic and family violence to appropriate support services

DV-alert is funded by the Department of Social Services and is a key initiative under the National Plan to Reduce Violence Against Women and their Children 2010-2022. As nationally recognised training, DV-alert is mapped against the unit of competency CHCDFS001: Recognise and Respond Appropriately to Domestic and Family Violence. Participants who complete the training and assessment will receive a statement of attainment.
