## Tennis

Last week I received the exciting news that we had been successful in our grant application to Sporting Schools for tennis at school. Next term all students will take part in a 4 week tennis program at school. The full cost of this program is covered by the grant.

## Harmony Day

Last Friday our Stage 3 students show amazing leadership skills during our Harmony Day activities. Each classroom was set up with three Harmony Day activities and students were divided into small groups led by Stage Three students. The groups visited different classrooms to complete many activities which focused on developing skills in acceptance, tolerance and working together . Great work, Stage 3.

## Amazing Work

This week I have been lucky enough to have many visitors to my office to show me the quality work that students are completing in the classroom. Ruby, Charli and Mikayla from 1/2E came to show me their very neat handwriting and the very clever M they had turned into a mouse – Great writing, girls.

Bella and Isabella from 3/4D have been working hard on a mind map in response to the story James and the Giant Peach. I was very impressed with the great work the girls had produced.

Last week I was also entertained and challenged in the playground with some riddles from Claire: “What gets bigger the more you take out?, and “The more you take the more you leave behind. What am I?” I had to give in and ask Claire for the answers, see if you can work them out. It was wonderful to see students engaged in their learning, working together and trying their best. Keep up the wonderful work, Chittaway Bay.

## Healthy Lunches

Healthy lunches and snacks are important for active children. It is important to offer healthy lunch box choices. Tips include adding fresh fruit, crunchy vegetables and a combination of protein, dairy and carbohydrate foods.

- Eating healthy food helps children concentrate and learn. Encourage your children to help choose and prepare their own lunch. They might like to make a list of the foods they enjoy. Praise your child when they choose healthy foods for their lunch box.
- When a child or an adult eats healthily and maintains a healthy body weight, they have less risk of developing chronic health problems such as diabetes or cardiovascular disease.
- Eating healthily and regular physical activity can lead to a healthy body weight, which can help to promote a child's self esteem.
- Make sure that fruits and vegetables are a part of lunch for your child. Low fat or non fat dairy should be selected over regular fat milk and cheese.
- Make lunch fun by packing a note for your child, cutting up healthy sandwiches into fun shapes or adding low fat flavoured milk to their lunch box and keep processed foods to a minimum.

## **National Assessment Program – Literacy and Numeracy 2017**

In May 2016 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by students in Years 3, 5, 7 and 9. The NAPLAN tests will be conducted from 9-11 May 2017.

All other students are expected to participate in the tests. Disability adjustments which reflect the student's normal level of support in the classroom may be provided. Large print, Braille, coloured paper versions and electronic tests are available to meet the needs of individual students.

Access to disability adjustments or exemption from the tests must be discussed with the school principal and a parent or carer consent form must be signed.

Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents in consultation with the school principal. If you wish to withdraw your child from the tests, a parent or carer consent form must be signed. Please make an appointment with the principal of the school your child attends if you would like to discuss your child's participation in NAPLAN.

Additional information about NAPLAN can be found at
