At CBPS we will be celebrating NAIDOC Week this week from Monday to Thursday. During the week students will take part in story time, Aboriginal art, Aboriginal games and a Closing Ceremony on Thursday. Families are invited to join us for the closing ceremony at 11.30am on Thursday.

Message Stick

Today during the NAIDOC Week Opening Ceremony students from Bateau Bay PS presented the GulangFest message stick to Kristy, Cody and Liam. The message stick is handed on from school to school within our community to acknowledge and invite schools to the annual GulangFest, which is a night to celebrate culture and achievement of Aboriginal students' education. Kristy, Cody and Liam visited classrooms today to talk about the meaning of the symbols on the message stick and also GulangFest.

Great Work

This week Hollie, Jemma, Emily, Lexi and Cleo came to perform a play they had written for me during recess. A very entertaining way to spend the break. Thank you and well done, girls!

This week students in KM have been learning about Aboriginal words and stories relating to our NAIDOC week celebrations and the 2017 NAIDOC Theme, Our Language Matters. Annabelle, Sienna and Emily visited me to show me their amazing stories and illustrations about Guulaangga, the green tree frog. Great work, girls!

Last week I also had a chance to visit 2/3W to see the interesting work that they were doing. The Year 3 students have been learning about Aboriginal life prior to European settlement as part of their History/Geography Unit. The students used natural resources found in our school environment to work together to create shelters. Don't they look great! Well done, 2/3W.

Treatment of head lice

Head lice are a very common problem that most parents and teachers are more than familiar with. The school holidays is a great time to treat your child for head lice, just before they come back to school for Term 3. Here are some treatment tips:

- Do not treat your child if their scalp is irritated or inflamed
- Always read the head lice product label and directions before you apply it to your child's head. Products can be found in local chemists
- Apply the head lice product to every strand of your child's hair and work through, leave for 20 minutes, and comb out with a good quality lice comb
- Check your child's head and if dead lice are found, the product has worked. However make sure you re-treat your child's head in seven days to catch nymphs that have emerged from unhatched eggs
- Reduce the risk of your child catching head lice by tying their hair back or braiding it.

Best Wishes, Miss Williams

The Chittaway Bay School community would like to say farewell and best wishes to Miss Jessica Williams, who will be leaving at the end of this term. We would like to thank Miss Williams for all of her hard work and dedication to helping the students at CBPS. She will be missed by both students and teachers and we wish her all the very best in her new adventure.

Book Week- BOOK FAIR: Our annual Scholastic Book Fair will be held in Term 3, Week 4. Books will be on sale in the Library from Monday 7th August until Thursday 10th August. There will be a range of Fiction and Non-Fiction books for all ages, so make sure you come and visit. **BOOK WEEK CHARACTER PARADE AND EDUCATION OPEN DAY:** Our Book Week Character Dress Parade and Open Classroom will be held on Thursday 10th August. The theme for the 2017 Book Week is 'Escape to Everywhere'. Please start discussing a character and preparing an outfit with your child for the parade. After the parade, parents will have an opportunity to visit their child's classroom and share a picnic at recess. More details to follow early next term.

Holiday Maintenance

During the first week of the holidays we will be having some work done on our trees. We will have two trees removed and a number of the larger gum trees will have their branches cut back.

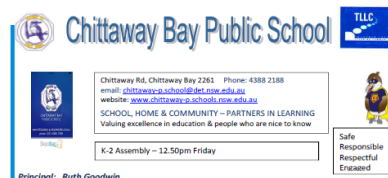

We have begun our planning phase for 2018. It is important that we have accurate numbers of kindergarten students who will be coming to our school in 2018. If you have a child who will be enrolling in kindergarten in 2018 please make contact with our school office. If you know of any community members who have children that are due to start school next year, please ask them to make contact with the school's front office team.

Go4Fun[®]

Healthy • Active • Happy • Kids

Go4Fun is a 10 week healthy lifestyle program to improve health, fitness, self-esteem and confidence in children above a healthy weight. The program consists of games, activities, tips on healthy food, label reading and portion sizes plus much more!

FREE

My daughter Nina and I started the Go4Fun program after seeing an advertisement in our GP's office. I wanted my daughter to have a better understanding of nutrition and her health to encourage her to make better choices when it came to food. The staff at Go4Fun were so friendly, knowledgeable and most importantly to children, relevant and fun – Nina could not wait to go each week.

During the course of the term, we both agreed to take the advice given and make a pact to implement it into our daily lives. In doing so, we felt healthier, lost weight and had time together, just her and I, which is often difficult to do when you have more than one child. I cannot thank the team enough for their enthusiasm and method of conveying the message about the importance of good nutrition and how to increase physical activity into our daily lives. Now that our term is over, we miss our Thursdays with the Go4Fun team. (Natalie O'Sullivan, parent attendee of Term 2, 2016).
