Chittaway Bay Public School

## Assistant Principal

It gives me great pleasure to announce that we have chosen an Assistant Principal for our school – Mr Duane Hutchinson. Mr Hutchinson comes with a wealth of experience and knowledge and will be a real asset to our school. He will start at our school at the beginning of Term 3 on 1/2J. Miss Jessica Williams has been successful in gaining a permanent position and will be leaving our school at the end of this term.

## Disco

Year 6 will be holding a BLACK and WHITE DISCO tomorrow.

Cost: \$5 per person, which includes entry plus a packet of chips and a drink.  
Please pay at the door.

K-2 students: 4.00-5.00pm

3-6 students: 5.15-6.30pm

We are looking forward to seeing everyone at our Disco tomorrow afternoon.

## Support Unit Sensory Boards

We would like to give a huge round of thanks to Rebecca Hayter and her father for making these amazing sensory boards for the students in the Support Unit. The students have received so much fun, joy and sensory relief from playing with the boards. The Support Unit would like to thank the Hayter family for their incredible generosity and hard work. It is very much appreciated.

## **NAPLAN Online**

NAPLAN is moving online. This means moving NAPLAN from the current paper-based tests to computer-based assessments. The transition to NAPLAN online will commence from 2018.

In May of every year, students in Years 3, 5, 7 and 9 take part in the National Assessment Program – Literacy and Numeracy (NAPLAN). NAPLAN was first introduced in 2008 and has become a routine part of the school calendar in Australia.

NAPLAN, which is a part of the National Assessment Program (NAP), is how governments, education authorities and schools can determine whether young Australians are reaching important educational goals.

States and territories determine when their schools commence NAPLAN Online.

Moving NAPLAN online brings many new opportunities for students and teachers that are limited or not possible with paper-based tests.

As a school we are currently undergoing a technology audit to ensure that we have the necessary resources to support this transition.

## **WorryWoos**

Last Tuesday afternoon Mrs Gifford (P & C President), Mrs Pex, Mrs Geary and I attended a launch of WorryWoos by Dr. John Irvine at Mingara. The WorryWoos is a program to promote healthy emotional wellness and includes a series of books and plush dolls. As part of the launch we were presented with a WorryWoos kit which was funded by Mingara, Clubs Australia. We are very pleased to have this excellent resource for our school to support our students.

## **PBL**

In week 9 we will be having an afternoon information session for families on Positive Behaviour for Learning. This will be an opportunity for parents to learn more about PBL, ask questions and find out how PBL can support you at home.

## Kindergarten

We have begun our planning phase for 2018. It is important that we have accurate numbers of kindergarten students who will be coming to our school in 2018. If you have a child who will be enrolling in kindergarten in 2018 please make contact with our school office. If you know of any community members who have children that are due to start school next year, please ask them to make contact with the school's front office team.

### Newsletter via Emails, School App and Website

Just a Reminder!!!

We are now sending out our newsletter by email as well as putting the newsletter on our school app and website. If you haven't provided the school with your email address please do so that we will be able to email our newsletter out to you. There are a small number of printed copies of the newsletter available from the office each week for families who would prefer a paper copy of the newsletter.

Have a great week of learning, Chittaway Bay Public school.

Mrs Ruth Goodwin  
Principal

## 10 Academic Awards

Kian KM, Piper KM, Hope KM, Ruby 1/2E, Marley 2/3W, Jonathan 2/3W, Lily 2/3W, Elijah 2/3W, Sienna KM

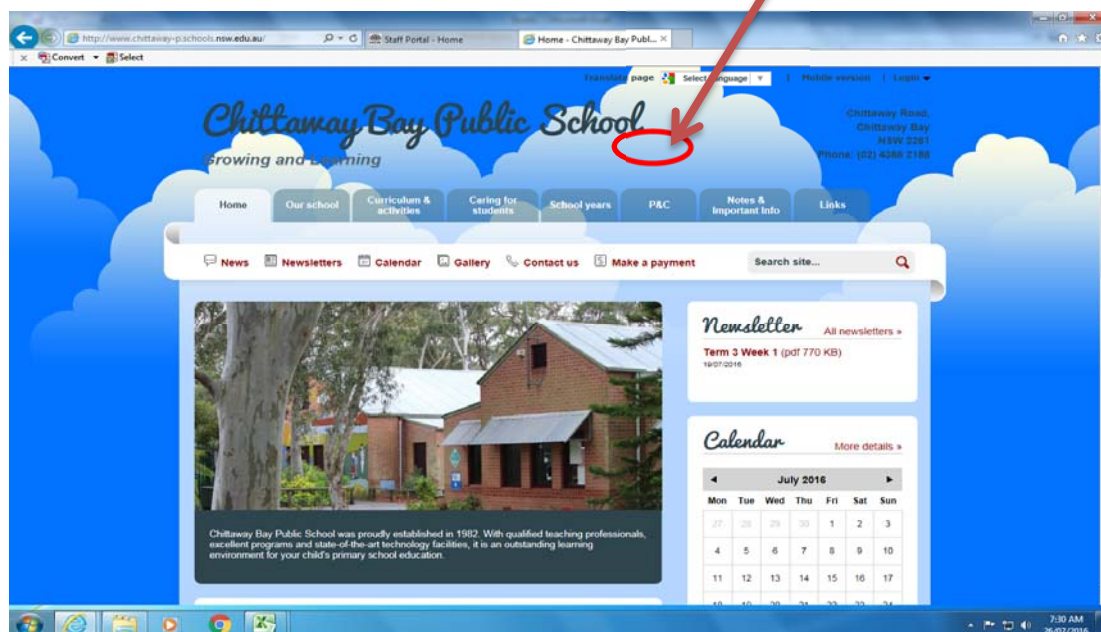

## School App

Communication is an important part of any school and helps with the smooth running and organisation for both families and the school. Our school has a school app which can be downloaded onto your phone. Chittaway Bay Public School Skoolbag App is for parents and the school community. Download this App to be kept up to date with everything that is happening at CBPS. It features Events, News, Newsletters, Documents, and push notification alerts direct from the School.

## Online payments

Just a reminder that we now accept online payments (**not for the uniform shop**) using the Department of Education's Parent Online Payment (POP) system. A button to access this new online payment system titled '\$ Make a Payment' will be visible on the utility bar on the front page of our school's website at [www.chittaway-p.schools.nsw.edu.au](http://www.chittaway-p.schools.nsw.edu.au) By selecting this link, parents and carers will be taken to a secure Westpac QuickWeb payment page from which they can make online payments.

Please note: As a Westpac-hosted solution, cardholder and account details will be held securely helping to protect the school and its customers from fraudulent transactions. It will also assist in meeting the Payment Card Industry Data Security Standard (PCIDSS) compliance requirements.

## Volunteers – Working with Children

If you are planning to help out in the canteen, classes or at school events, you will need to have a Working With Children Check (WWCC) completed. These forms can be accessed online and then verified by the Roads and Maritime Services (RMS). Once you have your WWCC number, please present the paperwork to the office staff. If you have any concerns or questions, please contact the administration office during business hours.

## Fact sheet for parents and carers

**The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual national assessment for students in Years 3, 5, 7 and 9. Planning has begun to move NAPLAN from a pen and paper assessment to an online assessment.**

136103\_0014

### What are the benefits of NAPLAN Online?

#### Results will be faster and more precise

- Your child's individual results will be returned to you within just a few weeks of the NAPLAN testing.
- Online assessment will reduce the time it takes to mark and provide feedback to schools, teachers and parents.
- Improved precision and timing of results will help teachers to tailor their teaching more specifically to address students' learning needs.

#### Tailored tests will provide better assessment

- The online format allows for 'tailored testing', where the test adapts to a student's performance and asks questions that match their achievement level.
- Students in each year level start with the same set of questions which can then branch into a different set of questions based on their responses to the first set of questions.
- This means that students will be directed to questions that may be easier or more challenging depending on their responses.
- This test design will allow students to better demonstrate their literacy and numeracy skills.
- Students find online assessment is more engaging\*, which means they are encouraged to persist longer and try harder.

\* Research by the Australian Curriculum, Assessment and Reporting Authority (ACARA) into online assessment has shown that students have engaged well with electronic tests.

### NAPLAN Online School Readiness Test

**NSW schools will participate in a school readiness test between 14 August and 22 September 2017.**

The school readiness test is a 'practice run' for schools to assess their technology ahead of NAPLAN Online. The readiness test is not an assessment of student ability. The readiness test allows schools to:

- become familiar with the NAPLAN Online test format and processes
- check whether they have the technical capacity, rooms and devices to administer NAPLAN Online
- provide students in NAPLAN years 3, 5, 7 and 9 with the opportunity to experience the online test question types and format by completing a practice NAPLAN online test.

### For more information

Parents, students and schools interested in familiarising themselves with the NAPLAN Online format can access the NAPLAN Online demonstration site that includes sample tests for each NAPLAN year. Use the following link:

## Your children are invited to... Spok's Party!

It's going to be one big party these school holidays with a celebration that has been planned for your children by our friend Spok, all inspired by his most favourite things to do and see. Some of the feature party days coming up include:

	<b>Build and take home your own Planetarium.</b> Get ready for Planetarium FUN as we get out-of-this-world creative! Build, design and decorate what your solar system will look like. And of course, every solar system needs a story - create your own to share.
	<b>Introduction to Coding.</b> Pop on your code creation caps, it's programming time in a highly interactive and fun workshop. In groups, we'll learn about the fundamentals of coding with 4 separate stations including: algorithms, programming, functions & variables and an experience with Ozobots (advanced robotics packed in a cubic inch)!
	<b>Build and take home a Terrarium.</b> You'll give two (green) thumbs up today because we are building our own indoor garden to take home and watch bloom in our own room! We'll learn about plant life-cycles and the environment and then create our own piece of green.
	<b>At the Movies.</b> We're off to the movies to see the latest children's films. Check out the program to see what movie we are going to see!

To find out what other awesome activities are coming up at a school near you these holidays and to register and book visit: [www.campoaustralia.com.au/holidayclubs](http://www.campoaustralia.com.au/holidayclubs)

We look forward to seeing you soon!

## SCHOOL HOLIDAY PROGRAM WINTER 2017 - CENTRAL COAST

✓ New friendships

✓ Fun

✓ Safe

✓ Great value

Have an active holiday adventure on the Central Coast with our holiday activities for kids and teens.

Learn to play tennis or improve your technique with our Tennis Clinic Wyong, including a small party on the last day! Gymnastics includes basic fundamental movement and skills in a fun and friendly environment with accredited coaches. Or come and try Archery and see if you can get a bullseye!

Parkour is a non-competitive physical discipline of training to move freely over and through any terrain/surface improving strength, fitness, balance, spatial awareness, agility, coordination, precision, control and creative vision.

The Circus Aerial Workshop is great fun! Have a go on the aerial hoop, the static trapeze and the silks. Or clown around in Circus Stuff! Ride a mini clown bike, spin a plate on a stick, use a flower stick, have a juggling lesson, walk the slackline, and more!

All programs are day only. Times vary so please check on booking.

## Go4Fun

Healthy • Active • Happy • Kids

Go4Fun is a 10 week healthy lifestyle program to improve health, fitness, self-esteem and confidence in children above a healthy weight. The program consists of games, activities, tips on healthy food, label reading and portion sizes plus much more!

**FREE**

My daughter Nina and I started the Go4Fun program after seeing an advertisement in our GP's office. I wanted my daughter to have a better understanding of nutrition and her health to encourage her to make better choices when it came to food. The staff at Go4Fun were so friendly, knowledgeable and most importantly to children, relevant and fun - Nina could not wait to go each week.

During the course of the term, we both agreed to take the advice given and make a pact to implement it into our daily lives. In doing so, we felt healthier, lost weight and had time together, just her and I, which is often difficult to do when you have more than one child. I cannot thank the team enough for their enthusiasm and method of conveying the message about the importance of good nutrition and how to increase physical activity into our daily lives. Now that our term is over, we miss our Thursdays with the Go4Fun team. (Natalie O'Sullivan, parent attendee of Term 2, 2016).

**TERM 3 2017**
