Welcome back

Welcome back to our last Term of the year! Term 4 is as busy as every other term so please keep up to date via our Facebook page, Skoolbag App, notes and 'Dates for your diary'. This term we will be continuing our ongoing assessments ready for the end of year reports.

School organisation and Enrolments 2019

It is at this time of year that we are beginning our organisation for the 2019 school year. If you are moving out of the area and leaving our school please inform the office of your intentions. Similarly, if you are aware of any students moving into our area who will be attending our school in 2019 please ask the families to make contact with the school.

Day for Daniel

Day for Daniel is an opportunity for Australians to make a statement that crimes against children are not acceptable in Australia. This Friday 26th October marks the 14th Day for Daniel and all students are encouraged to wear a red shirt to support the cause. All students will be engaging in child safety awareness lessons throughout the day.

We Want Your Feedback!

As a school, we are committed to a process of continuous improvement. Our vision is for excellence and equity in education, and each year we carefully reflect on our programs to see where we can improve. Teaching and learning is our core business and our School Plan guides our improvement journey. Parents and carers are invited to complete a confidential online survey to contribute to school decision making. The Survey will **close on October 26th 2018**. Please ensure you have completed your survey by this date to ensure we have your voice:

Australia's Biggest Child Safety Lesson

Parent and Carer Guide

Australia's Biggest Child Safety Lesson is suitable for children between the ages of 3 - 8 years. It will teach key personal safety concepts for early childhood in a fun and interactive way. It can be viewed in large or small groups at school or early childhood centres. You can also watch it at home together.

Contents of lesson:

Understanding feelings	Identifying facial expressions for different emotions
Recognising body clues	Understanding the physical responses the body has when feeling unsafe
Your body belongs to you	Body ownership, names of public and private body parts (anatomical language)
Who can help you to stay safe	Identifying safe adults who can help you to be safe

Keeping Kids Safe is the responsibility of adults however research shows that teaching children personal safety skills can play an important role in the prevention of harm. Children who know the proper names and functions of private body parts are less likely to experience sexual abuse and more likely to seek help or tell an adult if they have been harmed.

What can you do at home?

Talk about the lesson and encourage your child to share what they have learnt. If they bring home activity sheets, look at these together and put them up on the fridge or a wall in the house.

Having conversations about personal safety should not be scary for children. Being open and approachable is the most important thing.

- Discuss who they could talk to if they felt unsafe and what they could do
- Practice using stories and scenarios to problem solve. Do not always make these about strangers
- Reinforce basic safety messages and ensure children know the phone numbers of people they can call on for help or to talk to
- Explain that it is ok to say no to an adult or child if they are doing something that is not ok or makes the child feel unsafe. Let the child know they will not get into trouble if they tell you about an unsafe secret someone has asked them to keep
- Remind your child that it is always ok to talk to you, no matter what the issue, you care about them and want to help them to stay safe

Where to get help

Daniel Morcombe Foundation has resources to teach personal safety skills to children and young people, available from www.DanielMorcombe.com.au

Parentline 1800 30 1300 provide free telephone counselling and advice to parents and carers. Resources are available to support parents and carers to understand a wide range of issues related to raising children and young people www.parentline.com.au

The Australian Institute of Family Studies has an up to date contact list of relevant state or territory child protection agencies, if you suspect that a child has experienced abuse or is at risk of harm www.aifs.gov.au/cfca/publications/reporting-abuse-and-neglect

The Office of the eSafety Commissioner has resources to help children, young people, parents and carers. They are committed to helping all Australians have safe, positive experiences online www.esafety.gov.au

**Local Scout Groups are having an
OPEN DAY!!**

*Be prepared...
for new adventure!*

For 110 years Scouts have offered a program to young people which helps develop them through teamwork and using their own initiative.

Scouts believe encouraging young people to "**be prepa red**" is more important today than ever! Scouts includes girls and boys from age 5.

What should you be prepared for? Fun and adventure, team involvement, helping other people, being a leader, making friends, caring for the environment. and being a positive influence in your community.

**Come along to our OPEN DAYS
From 6 till 8pm on 5th, 7th & 9th November**

5/11 at 1st Tumbi Scout Hall
Adelaide St, Tumby Umbi

7/11 at 1st Tuggerah Lakes Scout Hall
Nirvana St, Long Jetty

9/11 at 1st Berkeley Vale Scout Hall
Panorama Ave, Berkeley Vale

**DON'T MISS OUT!! – Lots of activities including
Obstacle courses, climbing wall (Berkeley Vale) - FUN FOR ALL!!**

We need a hand around traffic

It takes many years for your child to develop an understanding of danger and how to keep safe.

While children are often keen to do things for themselves, **an adult must always be responsible for them in the road environment.**

Your child may be able to recite safety slogans and tell you the rules about how to keep safe but won't always be able to apply them.

We think we can do things by ourselves but often we can't

Sometimes we can be easily distracted

Once we are moving, we find it hard to stop

We sometimes behave unpredictably

We might learn things by rote but this doesn't mean we know what to do

We are small and drivers may not be able to see us

We can't always work out where a sound is coming from and what this means

We often focus on just one thing at a time

We don't really understand ideas such as 'speed', 'distance' and 'safety'

Opal for school students

The School Opal card gives eligible school students free

Or subsidised travel on public transport

between home and school

On trains , buses, ferries and light rail in the

Opal network

Don't forget a Child/Youth Opal card

It's important to remember that the School Opal card is only for travel to and from school on school days only

and doesn't cover travel to After School Care, school excursions, sport and other activities away from school, so it's a good idea to get a [Child/Youth Opal card](#) for personal travel.

Are there any restrictions on when and where I can use a School Opal Card?

Yes, a School Opal Card is for approved travel on School days only between your home and school, it covers travel that commences between 6:30am and 7pm weekdays only.

For travel outside these times you should use a Child/Youth Opal card.

What should I do if my School Opal card is lost, damaged or stolen?

Report it online and order a replacement School Opal card and a fee may apply. By doing this, the old School Opal card will be cancelled and a new one will be mailed to the customer's preferred address within five to seven days. While waiting for a replacement card, show the driver a copy of the receipt or use a child/youth Opal card to travel if eligible.

Are there any alternatives to the School Opal card for ineligible students?

Students who are not eligible for a School Opal card may be eligible to purchase a term bus pass from Transport for NSW or they can get a Child/Youth Opal Card from more than, 2100 retailers, online at opal.com.au or by calling 13 67 25 (13 OPAL).

REMEMBER TO TRAVEL WITH A VALID TICKET
