Great work

Over the last two weeks I have had many visitors to my office to show all of the great work they have been doing. Max, Riley and Jasmine from KG came to show me their descriptive writing about a pirate. Wonderful writing, Max, Riley and Jasmine! Grayson and Tyler from KG drew an amazing pirate map. Great drawing, Grayson and Tyler! Melanie and Harry 1/2J read the book 'A nice walk in the jungle' and then wrote about their own walk in the jungle. Excellent, Harry and Melanie!

Supported School Transport and the National Disability Insurance Scheme

The Australian Government has released a discussion paper about 'Supported School Transport and the National Disability Insurance Scheme' on their website <https://engage.dss.gov.au>.

As the National Disability Insurance Scheme (NDIS) is rolled out across Australia, this paper asks for your feedback on how supported school transport could work under the NDIS.

This is your opportunity to have your say via a submission on how you would like to see supported school transport operate in our State. The consultation period will end on 20 July at 5:00pm.

There will be some face-to-face consultations held throughout the state, full details will be updated on their website when they are available.

For any further information about the discussion paper or submission you can email transport@dss.gov.au.

Semester 1 Reports

The Semester 1 reports will be sent home towards the end of week 10. School reports are graded on the following two elements: Achievement and Application in class (Please note as per Department of Education and Communities report guidelines, Kindergarten students are not graded against achievement.)

Achievement: Application in class

E – Limited	L- Low
D – Basic	I- Inconsistent
C– Sound	S- Satisfactory
B– High	H- High
A– Outstanding	O- Outstanding

It is important to understand and reflect where your child is academically at this time of the year. Students who are achieving a Sound achievement are performing at the stage appropriate levels and are performing well in class. If your child receives a High or Outstanding achievement grading it indicates that your child is able to demonstrate a higher level of understanding in that particular strand or subject area. If your child has an achievement level of Limited or Basic it indicates that your child is experiencing some difficulties in their learning. Students who achieve a Limited or Basic achievement level will have their needs addressed and where relevant, referred to the Learning Support Team for further discussion to help support their academic needs. You will have the opportunity to discuss your child's report at the parent teacher interviews next term.

Principal's Leave

I will be away on leave from Week 8 (18/6/2018) to the end of Week 10 (6/7/2018). Mrs Docherty will be relieving as Principal during this time and Miss De Henau will be relieving Assistant Principal on Stage 2.

Parent Teacher Interviews

This year our parent teacher interviews will be held on Tuesday 31st July from 3.10pm to 6.30pm. Parents will be able to book their parent teacher interviews online with our booking system. Parents who do not have access to internet will be able to book via the office. More information to come closer to the time.

Kindergarten Enrolment 2019

If you have a child starting in Kindergarten 2019 or if you know of any community members who have children that are due to start next year, please ask them to make contact with the school's front office team to start the enrolment process.

Principal

Girls Softball

On Tuesday 12th June, the girls' softball team travelled to Northlakes PS. This was the girls' first game and I was so proud of how well they played. They showed great sportsmanship and tried their best. Unfortunately, we lost the game 17-14. The team was Ellie, Chelsea, Nalani, Coco, Mackenzie, Lois, Jasmine, Kaydence, Izabella and Kyla. Thank you to the parents who transported their own and other students.

Boys Softball

After recently beating Wyong 11-7, the boys' next game was against Lake Munmorah. It was a very close game with Chittaway pulling out a win 10-9. With 8 minutes to go all the boys were shaking with nerves.

At the bottom of the 4th innings the score was 10-9. In the fifth innings the boys batted first and unfortunately 3 players were out in quick succession. With less than 4 minutes to play, Lake Munmorah Batted. The first batter was out. Second batter to first base, third batter ran out of time. The score remained at 10-9.

After our triumphant victory against lake Munmorah, we will be playing Warnervale later this term.

Chittaway Bay Public School

Boys team: Tom, Zac A, Blayze, Izzac, Ben, Nate, Zac M, Nash, Jye, Levi, Bradley and Mrs Smith (Coach). Thank you Mrs Smith for coaching us and all the parents, students and teachers who came out and supported us. Thank you to Kali from the high school for umpiring.

Chittaway Bay Public School

Opal for school students

The School Opal card gives eligible school students free
Or subsidised travel on public transport
between home and school
On trains, buses, ferries and light rail in the
Opal network

Don't forget a Child/Youth Opal card

It's important to remember that the School Opal card is only for travel to and from school on school days only

and doesn't cover travel to After School Care, school excursions, sport and other activities away from school, so it's a good idea to get a [Child/Youth Opal card](#) for personal travel.

Are there any restrictions on when and where I can use a School Opal Card?

Yes, a School Opal Card is for approved travel on School days only between your home and school, it covers travel that commences between 6:30am and 7pm weekdays only.

For travel outside these times you should use a Child/Youth Opal card.

What should I do if my School Opal card is lost, damaged or stolen?

Report it online and order a replacement School Opal card and a fee may apply. By doing this, the old School Opal card will be cancelled and a new one will be mailed to the customer's preferred address within five to seven days. While waiting for a replacement card, show the driver a copy of the receipt or use a child/youth Opal card to travel if eligible.

Are there any alternatives to the School Opal card for ineligible students?

Students who are not eligible for a School Opal card may be eligible to purchase a term bus pass from Transport for NSW or they can get a Child/Youth Opal Card from more than, 2100 retailers, online at opal.com.au or by calling 13 67 25 (13 OPAL).

School Traffic and Parking Around Your Local Community

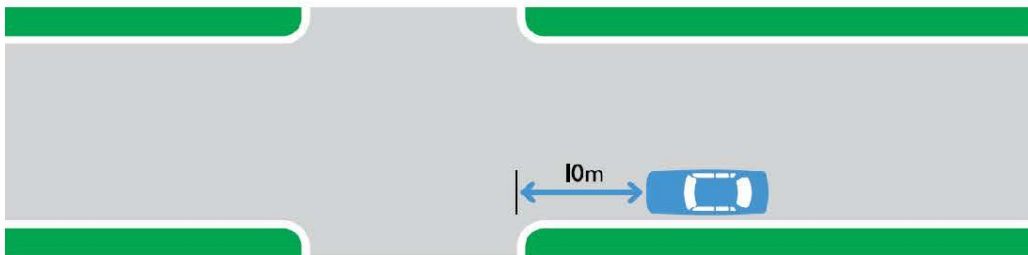

Parking rules are designed to stop vehicles from parking where it would be dangerous or inconvenient for others. Please consider the residents when parking in streets surrounding your school.

You must not stop your vehicle (that is, bring it to a stop and either stay with the vehicle or leave it parked) in the following circumstances:

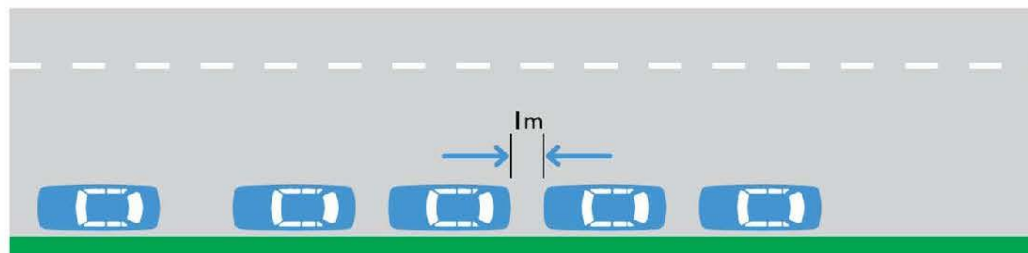

-  Double parked (that is in the road alongside a car that is parked)
-  Across a driveway or footpath
-  On a median strip or traffic island
-  On footpaths and nature strips
-  On or within 20 metres before and 10 metres after a children's crossing or pedestrian crossing

-  Within an intersection
-  Within 10 metres of an intersecting road at an intersection without traffic lights unless signposted otherwise

-  In Bus Stop, Bus Zone, Taxi Stand or Taxi Zone signed areas
-  At least one (1) metre from any other parked vehicle, close as possible and parallel to the kerb, and facing the same direction as the traffic lane

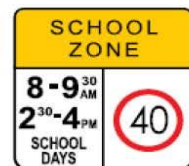

-  Within three (3) metres of any double centre lines
-  Within 20 metres before and 10 metres after a bus stop

Adherence to signposting, linemarking and road rules around your school will assist in providing a safe environment for the school community and residents.

- ✓ **School Bus lights** – buses use signs and orange flashing 'wigwag' lights to warn motorists and pedestrians that they are picking up or setting down school children. The lights begin to flash when the bus stops and the doors are opened. They keep flashing for about 30 seconds after the doors close and continue even after the bus moves off. You must not drive past the bus in the same direction at more than 40 km/h while the 'wigwag' lights are flashing as there may be children crossing or about to cross the road.

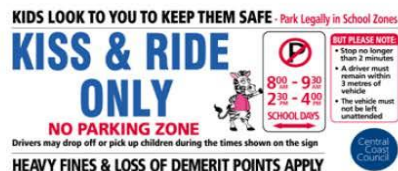

- ✓ A **School Zone** is the area around a school with a speed limit of 40 km/h. Between the School Zone and End School Zone signs you must obey the school zone speed limit. The school zone speed limit only applies on gazetted school days and during the times shown on the sign.

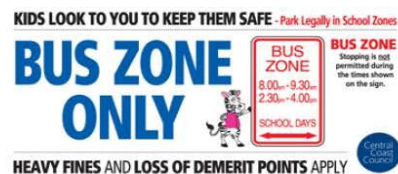

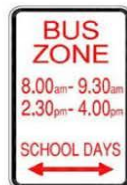

- ✓ A **No Stopping Zone** means no stopping at any time.

- ✓ A **No Parking Zone** means that you must not stop for more than two (2) minutes. You must remain in or within three metres of the vehicle. – No Parking Zones are suitable for 'Kiss & Ride' – but you must abide by the rules.

- ✓ A **Bus Zone** means that the area is restricted for bus use only. If hours of operation are shown, the restriction only applies to this time. You may use this area outside of these times.

For more information regarding parking restriction around your school please contact Council's Road Safety Officers via email at: roadsafety@centralcoast.nsw.gov.au
