Chittaway Bay Public School

Chittaway Bay Public School

Thank You

Last week we recognised the great job our SAS Staff do in our school. Our SAS Staff coordinate our administration and office, assist teachers and students, maintain our grounds, and support our Library. We could not operate without our wonderful SAS Staff at Chittaway Bay. Thank you Mrs Thoseby, Mrs Cook, Mrs James, Mrs Ramsay, Mrs Buck, Mrs Roy, Mrs Swadling, Mrs Nankivell, Mr Fuller, Mrs Horncastle, Miss Wright, Mr Egleton, Miss Stimson and Mr Lennon, we appreciate all that you do.

Roosters Presentation

This Wednesday we will have Anthony Minichiello and Sydney Roosters community coordinator present to us a Respect workshop. The key messages will focus on Belonging, Respectful Behaviors and the importance of Cultural Diversity.

School Concert

Our school concert will be on next Wednesday, 19th September, starting at 6pm. The students have been practising very hard and they are sure to entertain you on the night. Tickets are available from our front office.

Kindergarten Enrolment 2019

We are looking forward to meeting some of our new 2019 Kindergarten students this week at our story time afternoon today, tomorrow and Thursday. Kindergarten parents should contact the school to book their child into one of our story time days if they haven't already.

Chittaway Bay Public School provides quality education for all students and our Kindergarten program gives students an excellent start to their education.

If you have a child or know of a child in our community who will be starting in kindergarten in 2019 please make contact with our school office.

Kindergarten

School organisation and Enrolments 2019

It is at this time of year that we are beginning our organisation for the 2019 school year. If you are moving out of the area and leaving our school please inform the office of your intentions. Similarly, if you are aware of any students moving into our area who will be attending our school in 2019 please ask the families to make contact with the school.

Great work

Last week the students of Chittaway Bay were all working hard and I was very impressed by all of the quality work that they were producing. Sierra from K/6P wrote a fantastic story about honey bears. Ethan from 3/4D came to show me an excellent piece of descriptive writing. Lauren, Isabella, Marley, Toby, Jazzy and Liam constructed spectacular straw towers for the straw challenge. Ruby, Matthew and Harvey from 1/2M wrote some very interesting facts about cicadas. Did you know that cicadas live underground for 15-17 years? Callie from KD came to show me her wonderful story about the chickens. Great work, CBPS!

Keeping our students safe around schools

Please remember to observe our road rules at Chittaway Bay.

When dropping students at school in the morning and picking up students in the afternoon please be aware that the bus bay cannot be used as a drop off point between the bus zone times - 8.30am-9.30 and 2.30pm to 3.30pm. This area is for buses only during these times. Parents should also ensure that children use the pedestrian crossing if they need to cross the road to school.

Here are some safety tips about keeping our students safe around school.

- Plan your trip to school so you use the pedestrian crossing.
- Always hold your child's hand. Children need your help to spot dangers such as vehicles coming out of driveways. They can also be easily distracted and wander into traffic.
- Drop off and pick up your child near the school gate and avoid calling them from across the road.
- Park in designated car parks and follow the road rules by not parking across driveways.
- Remind our children to walk on the footpath and avoid swinging around street sign poles which are close to the road.
- Talk with your children about Stop, Look, Listen and Think every time they cross the road.
 - STOP ! one step back from the kerb.
 - LOOK ! for traffic to your right, left and right again.
 - Please also practise safe parking procedures when parking on roads around our school.

Chittaway Bay Public School and CBPS P&C presents OBSTACOOOL-a Thon

Obstacool is coming to CBPS...Thursday 27th September

****Please remember to have your notes and money in by the return date – Friday 14th September for money and Wednesday 26th for permission notes.**

Check out the Obstacool website for more information - <https://www.obstacool.com.au/>

Parents are able to have a turn on the Obstacool from 2.15pm to 2.45pm. The cost is \$5 for one lap of the circuit or \$10 for unlimited laps.

Parents will need to sign a waiver and wear sandshoes. No work boots allowed.

Cyberwise

Did you know that the students who are currently at CBPS are the first generation to have not known life without the World Wide Web? The future for these children is largely uncharted territory. It has been predicted that the children of Generation Z (children born between 1995 and 2010) will have an average of 5 careers, 15 homes and 17 jobs in their lifetime! 1 in 2 of this generation is expected to gain a university degree, compared to the 1 in 4 of Generation X. 65% of today's students will be employed in jobs that haven't yet been created, to solve problems that don't yet exist. Their world is widely connected. At any moment in time they can talk to someone on the other side of the world in real-time. Social media has overtaken face to face interaction, and students are increasingly visual and collaborative learners. In this modern age it is increasingly important that we support students to become increasingly resilient learners that think critically. Helping kids to stay safe online is something many parents are concerned about. Knowing about potential risks and how to deal with them can help manage negative situations. Next term I will be focusing on some of the issues that students are facing in the digital world in the newsletter. Stay tuned!

Canteen – online ordering

The canteen now has online ordering.

Just go to flexischools.com.au to register to begin ordering online.

Our school now has a great online ordering system called Flexischools. As well as being convenient for parents, online orders are faster and easier to process - so it helps to simplify everyone's day!

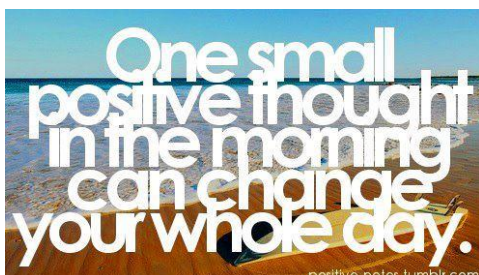

Take advantage of this convenient new service. Go to flexischools.com.au and click register.

School Security

Please contact School Security on - 1300 880 021 in the event of any security issues at school after school hours and over the weekend.

Have a great week of learning

Healthy Food Stall

On Monday 24th September, Chittaway Bay Public School will be hosting a Healthy Food Stall. Everything provided will be homemade by Yr 6 and all money raised will go to help fund the Yr 6 Gift. Healthy food will range from 50c to \$1 and food will range from apples to frozen yogurts.

TLLC Student Leadership Conference 2018

On Tuesday 28th August, twenty of our Year 5 students attended a Leadership Conference at Magenta Shores. These students were chosen because they have demonstrated potential to be future leaders. They were inspired by keynote speakers and participated in workshops, which have enhanced their leadership skills. Well done!

Crazy Hair and Sock Day

Thank you to everyone who participated in the Year 6 Crazy Hair and Sock Day last Friday. We raised over \$330. There were some amazing creations!

The Straw Tower Competition - By Jazzy 3/4D

The Straw Tower Competition is very challenging yet very fun. My group and I worked hard through the process of making it. There were some rules we had to follow in order to enter the competition.

Rule 1 Your tower could not weigh over 60 grams, lucky for us ours only weighed 58 grams.

Rule 2 Your tower has to be taller than 50cm, our tower was 74cm tall.

Rule 3 When you're building the tower you can't glue the straws on top of each other.

My job was to build it and the others cut out the measurements for the straws. The people in my group are Lily, Liam, Toby and me, Jazzy.

We named the tower "Defining Gravity". The reason we named it that is because the tower was only holding up by straws and it was really high too.

Our base is a large cube, 21cm by 21cm. we had four triangles on every side of the cube to make it strong. In the middle layer we had a 15cm by 15cm cube with long straws in the middle of the squares. Last but not least, on our top layer we had a 7cm by 7cm cube with diagonal lines going across each square. In between each cube there would be straws leading up to the cube and in the middle of those straws leading up to it we put triangles their because it would make it stronger. On the very top of the 7cm by 7cm square we put a line of straws going across to make it stronger.

Now I will tell you about the competition and where it was held.

It was held at Gosford Imperial Centre in the middle of the food court. There were over 25 different groups there and 95 students there. There were lots of different towers there, and they were all different shapes and sizes but the most common one was the cube. They first judged us on the length and the weight of the tower. They called up Chittaway Bay Public School to be judged first on what tower can hold the most weight. There were only 2 groups from Chittaway Bay Public School and other schools had up to 6 groups. They called up the other group from Chittaway and their tower could hold 4kg. Their Tower was 53cm tall and weighed 61 grams. After them they called our group up. Our tower could hold 1kg and we realised that the weak spot was in the middle of the straw tower. The other group from Chittaway came 2nd and got a prize so that's a win for Chittaway Bay Public School.

Seasons For Growth 2018

Our Seasons for Growth program at CBPS has concluded for 2018 with only a reconstructor session in December. Both Stage 2 and 3 programs for the children have been very successful and I would like to express my gratitude to Mrs James and Mrs Roy for once again devoting their time and care to be excellent companions implementing this program for our children.

I have also implemented the Parent/ carers Program over the last 2 weeks after hours which was also very successful. Also a thank you to our teaching staff for being flexible as always whilst Seasons was happening during Term 2 and 3.

Thank you Trudy Horton (Seasons Co-ordinator)

ANYONE CAN CHANGE A LIFE

WE NEED FOSTER CARERS

There are children on the Central Coast who have been through experiences few of us could begin to imagine and who, without our help, will go through childhood without the love and support of a family.

We are looking for everyday families who might consider taking a child or young person into their home - to love and support them whether for one or two nights, a few weeks, months or permanently through adoption.

Opal for school students

The School Opal card gives eligible school students free

Or subsidised travel on public transport

between home and school

On trains, buses, ferries and light rail in the

Opal network

Don't forget a Child/Youth Opal card

It's important to remember that the School Opal card is only for travel to and from school on school days only

and doesn't cover travel to After School Care, school excursions, sport and other activities away from school, so it's a good idea to get a [Child/Youth Opal card](#) for personal travel.

Are there any restrictions on when and where I can use a School Opal Card?

Yes, a School Opal Card is for approved travel on School days only between your home and school, it covers travel that commences between 6:30am and 7pm weekdays only.

For travel outside these times you should use a Child/Youth Opal card.

What should I do if my School Opal card is lost, damaged or stolen?

Report it online and order a replacement School Opal card and a fee may apply. By doing this, the old School Opal card will be cancelled and a new one will be mailed to the customer's preferred address within five to seven days. While waiting for a replacement card, show the driver a copy of the receipt or use a child/youth Opal card to travel if eligible.

Are there any alternatives to the School Opal card for ineligible students?

Students who are not eligible for a School Opal card may be eligible to purchase a term bus pass from Transport for NSW or they can get a Child/Youth Opal Card from more than, 2100 retailers, online at opal.com.au or by calling 13 67 25 (13 OPAL).

REMEMBER TO TRAVEL WITH A VALID TICKET
