## **Busy Term 4**

We have had a very busy start to Term 4. This is always a really busy period of the year for students and teachers alike. I am sure it's no different for our families with the build up to end of year and the many end of year activities. One of the things we work through at this time of year is planning for 2020 and evaluation of things completed in 2019. One of the measures of evaluation is the recent Tell Them From Me survey for both students, teachers and parents. I always value feedback and aim to implement things if I believe there is merit and if it will benefit our students. I talk to staff about being student focused and ensuring that all we do has the students at the centre of what we do. We want all our students to feel like they are known, valued and cared for. Please let me know if you feel we have let you down in this area.

We are going to hold 'off cycle' assemblies on Friday due to the disruption to the school caused by Spring Fair. We also will have some students away for assemblies in week 5 (Year 4) and Week 7 (Stage 3). We want to continue to recognise our fabulous students and ensure we celebrate the great things they are doing. We also realise that our K-2 hosts will miss out on a hosting opportunity if we miss an assembly. As always, you are welcome to join us on Friday for our assemblies.

Our school is happy to support charitable initiatives and will again be supporting the Smith Family Christmas appeal. There are further details later in the newsletter.

## **Spring Fair**

We had an amazing Spring Fair on Saturday. This was another example of our terrific community supporting one another and contributing to our school. Thanks to the P&C for organising and the many volunteers that banded together to support each other prior to and during the event. We had many of our families that helped for the entire day, as well as staff that helped out. The day was hugely successful.

## **Kinder Orientation**

Our 2020 Kindergarten students continue their orientation tomorrow, with our third 'Orientation for Learning' session. The students have enjoyed engaging with one another and completing activities with the teachers. We will have our final session on Nov 14, which will include a small mini showcase from our current Kindergarten cohort.

## **Year 4 Excursion**

Our Year 4 camp to the 'Great Aussie Bush Camp' at Myall Lakes is on during Week 5. Students will leave on Wednesday at approx. 9:15am. They will have a fun filled couple of days and then will return on Friday in time for the end of day bell at 2:55pm. Staffing for the camp will be Melissa Collis, Laura Collis, Kurt Walker and Kim Thoseby. Some final correspondence is being sent out today.

## **Cycling Event**

There is the potential for some traffic disruption on Friday November 8, which was advised through communication methods during Week 2. The 5 Star Cycling Event may cause some traffic disruptions and it may impact afternoon pick-up. The event will unfortunately be travelling along Chittaway Road possibly close to 3:00pm. Here's hoping for minimal disruption.

## **Selective High School**

This information has previously been advised but I want to give our Year 5 families one more opportunity to be reminded of the Selective High School application process. Applications for Year 7 entry to selective high schools in 2021 must be made online between 8 October 2019 and 11 November 2019. Late applications will not be accepted. The process is entirely online and no paper applications or information packages are provided.

Parents must apply online at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>

Have a great week of learning CBPS

## The Smith Family Toy and Book Appeal

Chittaway Bay Public School is very proud to be participating in the Smith Family's Toy and Book Appeal again this year. This long-standing tradition has helped bring smiles to the faces of many disadvantaged children across Australia, by providing toys and books to be opened on Christmas morning. If you are able to, we would love you to contribute a toy or book to this special cause and spread some joy this Christmas. Donations can be taken to the 1/2E classroom, but please refer to the gift giving guide and donation timeframe below before making your donation.

### Gift Giving Guide

Your generosity is highly valued, and we appreciate the time and effort it takes to get a special gift for a child in need. It's important to us that your intention is honoured, so please read through the below gift giving guide before choosing your gift.

### Gift requirements:

- Donations of new toys and books help us ensure that they are of good quality and usable when they are opened on Christmas morning. Unfortunately, we aren't able to accept second-hand, handmade or damaged items.
- Your gift should be ready to read or play with as soon as it's opened on Christmas morning. When you're deciding what to give, remember to include batteries if needed and colouring pencils for colouring-in books.
- No gift wrapping, please. While it may seem helpful to wrap your gift, this often creates problems in the sorting and packing process. It also means that parents don't get to see or wrap the gift for their child. Unwrapped gifts only please!
- Please see poster for age appropriate gift suggestions

### Items we can't accept:

Unfortunately, there are some items that are difficult to sort and pack. Others may not be appropriate for a wide range of children. Repurposing these items costs money that we'd prefer to spend on getting more toys and books to more children. You can help us reach more children by avoiding the sorts of items listed on the poster.

### DONATIONS ARE DUE BY TUESDAY DECEMBER 3, 2019

If you have any questions, please see Mrs McVey, Mr Walker or Miss Pollock.

We thank you for your support.

## Lids 4 Kids Collection

The Holden Rally Team is coordinating the collection of plastic tops for Envision, an Australian not-for-profit group that trains disadvantaged people to use 3D printers to make mobility aids for child amputees.

Chittaway Bay Public School is collecting plastic tops from our parents and families and organising for them to be transferred to a collection point on the Central Coast.

Please bring in milk, juice, soft drink lids and place them in the specially marked bin in the front office. We would appreciate it if you could give your lids a wash before bringing them in.

Thank you for your support.

## Information from Envision Hands.

### What sort of bottle caps are acceptable?

Envision currently use all flat soft drink, water and milk bottle tops, including those from long life containers. The tops should be numbered either No 2 or No 4 in the recycled triangle but not all are marked. We cannot process tops which have other plastic or metal attached – this includes water bottle tops which have pull up tops. Any tops with other numbers like 5 or 7 are not required. We also ask that the caps are cleaned before they are donated and that no extra plastic, metal or other material is attached. Thank you so much for supporting Envision Hands.

### How many lids does it take to make a hand?

Approximately 250 lids are used to make a small hand, however the wastage ends up being approximately 500 lids by the time it has been made.

For an arm, approximately 500 lids are used with a wastage of approximately 1000 caps.

## School App

Communication is an important part of any school and helps with the smooth running and organisation for both families and the school. Our school has a school app which can be downloaded onto your phone. Chittaway Bay Public School Skoolbag App is for parents and the school community. Download this App to be kept up to date with everything that is happening at CBPS. It features Events, News, Newsletters, Documents, and push notification alerts direct from the School.

**Air League**  
NSW Group

## Doyalson Girls Squadron is now enrolling.

Since 1934 the Australian Air League has been teaching young boys and girls nationwide all about aviation, while helping them develop important life skills like leadership, discipline, self confidence and teamwork. When you join the league you will make new friends and take part in fun and exciting activities, on the ground and in the air.

Each week you will attend your local squadron where you will learn valuable skills and take part in fun and interesting activities and classes. Some of our classes include Meteorology, Navigation, Photography and Community Service. Squadrons also attend training camps, sport and recreational days, flying experiences and ceremonial drill.

We welcome girls and boys from the age of 8 years old from all different cultures and backgrounds. Parents and families are welcome to support or even join their local squadron as a volunteer. All adult members and volunteers are Working with Children Checked.

The Australian Air League is running both a fun and educational programme that is making fine citizens out of our young Australians.

## Safety learning program

### Traffic and Parking around your School

Parking rules are designed to stop vehicles from parking where it would be dangerous or inconvenient for others. Please consider the residents when parking in streets surrounding your school.

- A **School Zone** is the area around a school with a speed limit of 40 km/h. Between the School Zone and End School Zone signs you must obey the school zone speed limit. The school zone speed limit only applies on gazetted school days and during the times shown on the sign.

- School Bus lights** – buses use signs and orange flashing 'wigwag' lights to warn motorists and pedestrians that they are picking up or setting down school children. The lights begin to flash when the bus stops and the doors are opened. They keep flashing for about 30 seconds after the doors close and continue even after the bus moves off. You must not drive past the bus in the same direction at more than 40 km/h while the 'wigwag' lights are flashing as there may be children crossing or about to cross the road.

- A **No Parking Zone** means that you must not stop for more than two minutes. You must remain in or within three metres of the vehicle. No Parking Zones are suitable for dropping off and picking up.

**THESE SIGNS MEAN YOU MAY STOP HERE TO DROP OFF / PICK UP**

**BUT YOU MUST**

- stop for up to 2 minutes only
- stay within 3 metres of vehicle

**Kids look to you to keep them safe - please park legally in school zones  
HEAVY FINES and DEMERIT POINTS APPLY**

- A **Bus Zone** means that the area is restricted for bus use only. If hours of operation are shown, the restriction only applies to this time. You may use this area outside of these times.

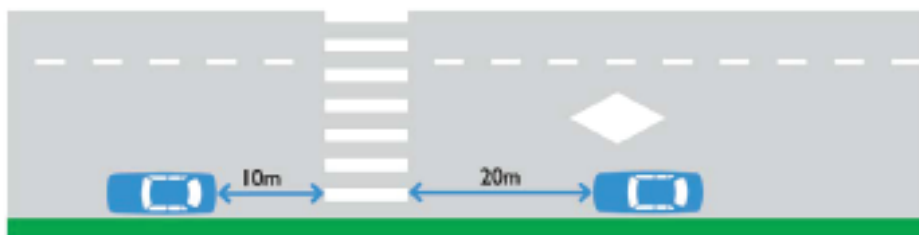

- A **No Stopping Zone** means no stopping at any time.

## Other times when you must not stop

You must not stop your vehicle (that is, bring it to a stop and either stay with the vehicle or leave it parked) in the following circumstances:

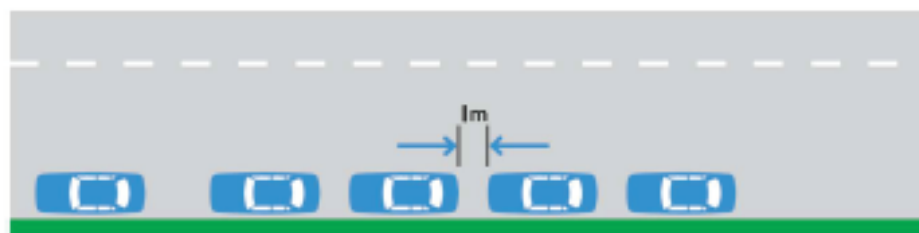

- ❑ Double parked (that is in the road alongside a car that is parked)
- ❑ Across a driveway or footpath
- ❑ On a median strip or traffic island
- ❑ On footpaths and nature strips
- ❑ On or within 20 metres before and 10 metres after a children's crossing or pedestrian crossing

- ❑ Within an intersection
- ❑ Within 10 metres of an intersecting road at an intersection without traffic lights unless signposted otherwise

- ❑ In Bus Stop, Bus Zone, Taxi Stand or Taxi Zone signed areas
- ❑ At least one metre from any other parked vehicle, close as possible and parallel to the kerb, and facing the same direction as the traffic lane

- ❑ Within three metres of any double centre lines
- ❑ Within 20 metres before and 10 metres after a bus stop

Adherence to signposting, linemarking and road rules around your school will assist in providing a safe environment for the school community and residents.

## Opal for school students

The School Opal card gives eligible school students free

Or subsidised travel on public transport

**between home and school**

On trains, buses, ferries and light rail in the  
Opal network

## Don't forget a Child/Youth Opal card

It's important to remember that the School Opal card is only for travel to and from school on school days only

and doesn't cover travel to After School Care, school excursions, sport and other activities away from school, so it's a good idea to get a [Child/Youth Opal card](#) for personal travel.

## Are there any restrictions on when and where I can use a School Opal Card?

Yes, a School Opal Card is for approved travel on School days only between your home and school, it covers travel that commences between 6:30am and 7pm weekdays only.

For travel outside these times you should use a Child/Youth Opal card.

## What should I do if my School Opal card is lost, damaged or stolen?

Report it online and order a replacement School Opal card and a fee may apply. By doing this, the old School Opal card will be cancelled and a new one will be mailed to the customer's preferred address within five to seven days. While waiting for a replacement card, show the driver a copy of the receipt or use a child/youth Opal card to travel if eligible.

## Are there any alternatives to the School Opal card for ineligible students?

Students who are not eligible for a School Opal card may be eligible to purchase a term bus pass from Transport for NSW or they can get a Child/Youth Opal Card from more than, 2100 retailers, online at [opal.com.au](http://opal.com.au) or by calling 13 67 25 (13 OPAL).
