Welcome and Staffing

I welcome you back to Chittaway Bay for the 2019 school year. A special welcome to all of our new families. A second special welcome to our youngest students, Kindergarten 2019, who all officially started on Monday. It was great to see them all in uniform. We are excited to start your journey of education and lifelong learning at Chittaway Bay PS.

As many of you have noticed or heard from me on the first morning, we are starting the year with several new staff members. I am sure you will make them all feel welcome. I take this opportunity to thank you for your warm welcome here at Chittaway Bay Public School. I have been involved in the leadership teams of several Central Coast Public Schools and am sincerely looking forward to working with you, your children and the staff here at CBPS.

Class Structure 2019

14 mainstream classes have been formed and 4 classes in our support unit. Please support your children over the next couple of weeks, as they learn new routines and structures.

It is my intention to ensure as much consistency for your children for the entire year. Jillian McLean, Melissa Waldron Lamotte and Kristy Flaxman will teach the students STEM related content for RFF time each week. Mrs Anne Bailey is our Teacher Librarian. Mrs Tricia Bradney is our Deputy Principal which is a new school established position for 2019. If you have any concerns I advise you, as always, to organise an appointment with the class teacher or the stage supervisor. For Term 1, Miss DeHenau is the Stage supervisor for Kindergarten, Mrs Bradney for Stage 1 (Year 1 and 2), Mrs Sloggett for Stage 2 (Year 3 and 4) and Mr Gray for Stage 3 (Year 5 and 6). I am of course more than happy to speak with you regarding any concerns you may have. Many of you have already taken the opportunity to speak with me and discuss some initial concerns. I want us to have a really positive, inclusive and proactive approach to any issues.

Student Resource Packs

Thanks to all those parents who have already purchased for the year. Notes for these went home on Friday. Payments need to be made as soon as possible to ensure all students have all their resources for the year ahead. If you are unable to make the entire payment please let the office know.

Safety learning program

Parking Restrictions Outside Schools

KIDS LOOK TO US TO KEEP THEM SAFE – PLEASE PARK LEGALLY IN SCHOOL ZONES

Central Coast Council would like to remind parents and carers of parking restrictions outside schools. Please pay close attention to the signs outside your child's school and be aware of speed when travelling through school zones.

NO STOPPING ZONE

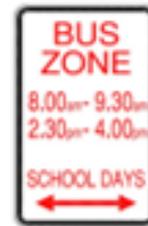

Stopping is NOT permitted at any time.

BUS ZONE

Stopping is not permitted during the times shown on the sign.

DOUBLE PARKING

You are not permitted to stop OR park alongside another vehicle already parked parallel to the kerb. This means not forming a queue in the middle of the traffic lane if you are waiting.

NO PARKING ZONE

Drivers may drop off and pick up children during the times shown on the sign BUT note:

- Maximum stopping time is 2 MINUTES – your child must exit and enter the car within this time.
- Driver must remain within 3 METRES of the vehicle – you may get out to assist with bags etc.
- Stop as close as possible to the top of the zone to allow access for vehicles following behind.

Parking illegally can create serious risks as it may limit the vision of other drivers.

SAFETY DOOR

The Safety Door is the rear door, closest to the kerb, footpath or gutter and away from the road. Always let your children out of the vehicle on the FOOTPATH SIDE OF THE ROAD.

Please consider the school's neighbours by leaving space at their driveways to allow safe exit and entry to the roadway.

Road Rules 2014

269 Opening doors and getting out of a vehicle etc.

(3) A person must not cause a hazard to any person or vehicle by opening a door of a vehicle, leaving a door of a vehicle open, or getting off, or out of, a vehicle.

This offence attracts a level 5 penalty notice, which is currently set at \$337.

<https://legislation.nsw.gov.au/#/view/requlation/2014/758/part16-rule269>

Stopping ON or ACROSS a driveway or other access point to and from a property is **not** permitted under any circumstances.

Travelling more than 40 km/hour through school zones may inhibit a car from stopping in time to avoid hitting a pedestrian.

It only takes a split second for a crash to occur and only one car to present a danger to an unknowing child.

Please be aware of the restrictions and park safely outside your child's school.

We need a hand around traffic

It takes many years for your child to develop an understanding of danger and how to keep safe.

While children are often keen to do things for themselves, **an adult must always be responsible for them in the road environment.**

Your child may be able to recite safety slogans and tell you the rules about how to keep safe but won't always be able to apply them.

We think we can do things by ourselves but often we can't

Sometimes we can be easily distracted

Once we are moving, we find it hard to stop

We sometimes behave unpredictably

We might learn things by rote but this doesn't mean we know what to do

We are small and drivers may not be able to see us

We can't always work out where a sound is coming from and what this means

We often focus on just one thing at a time

We don't really understand ideas such as 'speed', 'distance' and 'safety'

Opal for school students

The School Opal card gives eligible school students free

Or subsidised travel on public transport

between home and school

On trains, buses, ferries and light rail in the

Opal network

Don't forget a Child/Youth Opal card

It's important to remember that the School Opal card is only for travel to and from school on school days only

and doesn't cover travel to After School Care, school excursions, sport and other activities away from school, so it's a good idea to get a [Child/Youth Opal card](#) for personal travel.

Are there any restrictions on when and where I can use a School Opal Card?

Yes, a School Opal Card is for approved travel on School days only between your home and school, it covers travel that commences between 6:30am and 7pm weekdays only.

For travel outside these times you should use a Child/Youth Opal card.

What should I do if my School Opal card is lost, damaged or stolen?

Report it online and order a replacement School Opal card and a fee may apply. By doing this, the old School Opal card will be cancelled and a new one will be mailed to the customer's preferred address within five to seven days. While waiting for a replacement card, show the driver a copy of the receipt or use a child/youth Opal card to travel if eligible.

Are there any alternatives to the School Opal card for ineligible students?

Students who are not eligible for a School Opal card may be eligible to purchase a term bus pass from Transport for NSW or they can get a Child/Youth Opal Card from more than, 2100 retailers, online at opal.com.au or by calling 13 67 25 (13 OPAL).
