Week 2

Welcome back to school for Term 4. I have to say that welcoming students on the first day last week was absolutely delightful with so many smiling faces and students glad to return for learning, relationships and happy to see their teacher. I have been so impressed to see the students engaged in their learning and wanting to do well. You will note that there have been some updates to the guidelines for schools.

As always, the Department of Education has worked through the updates in consultation with NSW Health. Here is a summary of some of the key points:

•Non-essential adults are still not permitted on school sites. This includes our long-suffering parents and carers. Thanks for supporting and helping keep everyone safe.

•Formals and graduations for Year 6 and Year 10 can proceed after 12 November 2020 provided they occur in a COVID-safe way and they must follow the Year 12 advice.

•All musical activities must comply with the '5 metre in front rule'. There are some positioning requirements in different musical activity settings. This mainly effects our band students. Rowan, the band coordinator, is aware of the specifics.

•School excursions and camps, including overnight stays, can recommence. Schools should consult with external venues and providers to understand what COVID-safe measures are in place to assist with risk management planning for events. External providers and venues must have a COVID-19 Safety Plan.

Selective High School

Selective high schools cater for academically gifted students with high potential who may otherwise be without sufficient classmates at their own academic standard. Selective high schools help these students to learn by grouping them with students of similar ability, and by using specialised teaching methods.

Applications for selective high school placement are considered mainly on the basis of the Selective High School Placement Test results and school assessment scores. The Selective High School Placement Test will be held on Thursday 11 March 2021.

If you would like to have your child considered for Year 7 selective high school entry in 2022, you need to apply on the internet using a valid email address (not the student's email address).

Detailed instructions on how to apply online are available at https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7

The application website is open now and closes on 16 November 2020. You must apply before the closing date. There are no paper application forms. If you have a disability that prevents you from using a computer, you can contact the Team for assistance.

Kindergarten 2021

As you know, we are able to conduct our transition sessions. At present, we are able to proceed with our plan below. A hardcopy letter was sent to all families on September 25:

Orientation for learning: Friday 6 November, Monday 9 November, Tuesday 17 November

- Time: 9:30am-10:30am
- We will no longer be able to have an information session or assembly. The school hall will open from 9:25am.

We have also sent out a letter inviting families to a uniform fitting opportunity on Nov 18 and 19 between 9:15am and 2:00pm by appointment only. Details are on Skoolbag and the school website.

Please make child care arrangement for younger siblings and only 1 parent/ carer per child allowed to enter school grounds to drop off your child to the hall.

Camps

It only makes sense that we initiated a due date extension for our camps. This was extended until Friday October 23, this week. Please support our organisation by being prompt with your payment and thank you to everyone that has settled these amounts already. Notes for both camps were sent out last week.

Reports

Our teachers are in the process of completing, analysing and grading assessments on students for their academic progress. This will be used to complete the end of year student reports. These will be sent home on Friday Dec 11.

2021 Planning

This time of year is extremely busy and with us coming to the conclusion of our current school plan, there is additional work in creating a new 4 year school plan. I have promised consultation on this and will be distributing some content on social media, Skoolbag for you to engage for those interested. Originally I had planned to utilise Zoom or similar but the Education department versions requires logins and on top of this, having set times will disadvantage some families from engaging at times that may not suit everyone. I have planned a series of videos which explains where we are up to and invites you to provide some feedback via an online form. I hope this means that families can engage in the consultation phase over the next two weeks at anytime that suits them. I will keep you informed along the way.
Additionally, I have started planning for 2021 classes. There is a lot of factors that contribute to these decisions, including staffing, relationships, peer group, academic progress and support needs. If you have any specific requests, please put them in writing and address to myself so that I can ensure they are considered in the make up of 2021 classes. Obviously, it is not always possible to grant all requests.

Moving or Leaving?
If you are planning on moving from the area and your child will no longer be enrolled at CBPS for 2021, can you please let us know at your earliest convenience. This can have a significant impact into our planning for class structures and have staffing implications.

Tell Them From Me
This is the final reminder of the Tell Them From Me Parent / Carer Survey for 2020. This survey will provide the school with valuable feedback on what our community think about school life, how engaged your child is at school and different ways that teachers interact with them. We will use the responses in school planning and provide community with feedback very soon.
Participation in this survey is entirely voluntary and we appreciate your responses. Please follow this link to complete the survey:
http://nsw.tellthemfromme.com/cbpsparent
The survey closes Friday October 23. It would be greatly appreciated if the responses from this survey were completed by parents / carers only.

Dental Program
115 students were seen by the NSW Health Mobile Dental team. They wanted to pass on their thank you to all families and the school for supporting the program. The Ministry of Health will be offering this opportunity to CBPS again in 2021. We will inform you all of all the details next year.

Why does Bullying Occur
As we had in Term 3, I have continued the series on bullying until the end of the year. A person can engage in bullying behaviour because they:
•don't like the person being bullied
•find bullying fun
•like to feel tough and strong, in control
•think it will make them popular.
Bullying behaviour can arise from distrust, fear, misunderstanding, lack of knowledge or jealousy - all factors that schools can address in positive and proactive ways.
Bullying can also happen because the student gets a reaction they like. This is where teaching students ways to effectively respond to bullying behaviour is helpful.
Next edition we will look at the profiles of students who are more likely to be bullied and those who more like to bully others are based on patterns found in Australian research; the profiles do not mean all students with these characteristics will be involved in bullying.

Attendance Matters
What are my legal responsibilities?
Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The Education Act 1990 requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and

Educational Standards for home-schooling. Once enrolled, children are required to attend school each day it is open for students.

The importance of arriving on time Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption Lateness is recorded as a partial absence and must be explained by parents.

Have a great week of learning CBPS.

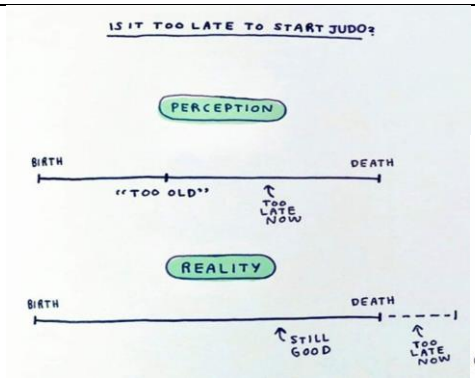
JUDO – The Olympic Sport
Largest Sport in the World*

Judo is designed so it can be practiced by all ages, both male and female.
Safety is paramount, with all participants being taught to fall correctly and avoid injury. Falling correctly is an invaluable skill that can be utilized when participating in other sports.

Flexibility and stretching exercises are part of every Judo session and unknowingly your body is engaged in isometric strength training, while you are pushing and pulling your opponents and learning to get them off-balance. Judo is a fun grappling activity and is more closely related to wrestling because there are no kicks or punches in Judo as there are in other martial arts.

*Judo is the largest sport in the world, when considering the number of National Federations.
Judo is the second largest participation sport in the world.



MUMS JUDO

Thursdays 6.30pm – Chittaway Bay Public School Hall

Commencing Thursday 15th Oct.
A great opportunity to start a group physical activity and
build confidence with other mums who are willing to try something new !
Be taught by a female black belt and Chittaway mum of two teenage daughters,
who has a PhD in Exercise Physiology and lectures at Ourimbah University.

This session has been initiated by a couple of our judo mums
who want to try the sport, and they are looking for others to join them.
No experience required.
No cost for the first 4 week trial period.
No mat fee for the entire term – Just $140.00 registration/insurance annual fee with Judo NSW.

School Travel for 2021

2021 school travel applications are now open

Applications for student travel in 2021 opened from Monday 12 October 2020.

Students who require a School Opal card or travel pass for 2021 can now apply online. A new application should be submitted if a student is applying for a school travel pass for the first time or requesting an additional pass as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who have changed school/campus, changed address, repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should re-apply or update their details.

*Applications must be completed by the student's parent or legal guardian if the student is aged under 16 years. Students 16 years and over must complete the application form themselves.

Where there is a change of distance eligibility based on a student's grade, the system will automatically update a student's entitlement if they meet the new criteria. If they do not meet the new eligibility criteria, they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

Term Bus Pass holders will receive a notification to re-apply.

If a student needs to update their information or re-apply, they should go online to https://apps.transport.nsw.gov.au/ssts/updateDetails

Applications need to be submitted before **31 December 2020** to ensure that current student entitlements are updated and their current entitlement/card remains valid. If their application is submitted after 31 December 2020, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out from January 2021.

Students residing in Rural and Regional (R&R) areas should receive their travel pass at the commencement of the new school year from their nominated operator, this may be distributed via the school or sent direct to their address. **Note**: some R&R operators do not issue travel passes. Students/Parents should confirm with their nominated operator if they do not receive a pass.

New Concession Entitlement Cards

Transport for NSW will be replacing the below cards with Transport Concession Entitlement Cards (TCEC) from October 2020:

- Senior Secondary Student Concession Card (16 years and over) – also used by Mature Secondary Students (18 years and over), Distance Education Students and Home School Students
- Proof of Age card (when a student under 16 years of age looks older)
- Boarder Rail Pass.

All previous cards will be valid until they expire. Students who require a Transport Concession Entitlement Card should speak with their school administration staff.

Enquiries regarding school student travel can be submitted to Transport for NSW at:

https://transportnsw.info/contact-us/feedback/passes-concessions-feedback

Don't forget a Child/Youth Opal card

It's important to remember that the School Opal card is only for travel to and from school on school days only

and doesn't cover travel to After School Care, school excursions, sport and other activities away from school, so it's a good idea to get a Child/Youth Opal card for personal travel.

Are there any restrictions on when and where I can use a School Opal Card?

Yes, a School Opal Card is for approved travel on School days only between your home and school, it covers travel that commences between 6:30am and 7pm weekdays only.

For travel outside these times you should use a Child/Youth Opal card.

What should I do if my School Opal card is lost, damaged or stolen?

Report it online and order a replacement School Opal card and a fee may apply. By doing this, the old School Opal card will be cancelled and a new one will be mailed to the customer's preferred address within five to seven days. While waiting for a replacement card, show the driver a copy of the receipt or use a child/youth Opal card to travel if eligible.

Are there any alternatives to the School Opal card for ineligible students?

Students who are not eligible for a School Opal card may be eligible to purchase a term bus pass from Transport for NSW or they can get a Child/Youth Opal Card from more than, 2100 retailers, online at opal.com.au or by calling 13 67 25 (13 OPAL).
