#### **Week 4**

It has been wonderful seeing all of our delightful students working so hard over the first few weeks of term. I had some tremendous writing shared with me from 4/5M. They are doing some great work. I also had Ryley pop over and show me his writing. Well done on some detailed work Ryley.

There are expected to be some updated guidelines this week. Please be mindful of this point:

- Non-essential adults are still not permitted on school sites. This includes our long-suffering parents and carers. Thanks for supporting and helping keep everyone safe. We have had a few parents entering the site and going beyond the office. Please help everyone by doing the right thing and thank you to the vast majority of parents for supporting our guidelines each and every day.

#### **Selective High School**

Just a reminder for current Year 5 students and their families regarding Selective High School placement for those interested.

Detailed instructions on how to apply online are available at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>

The application website is open now and closes on 16 November 2020. You must apply before the closing date.

#### **Kindergarten 2021**

We look forward to welcoming our 2021 Kindergarten students to school this coming Friday. The details for sessions are below. On the final session, students will receive an information bag.

**Orientation for learning:** Friday 6 November, Monday 9 November, Tuesday 17 November

- Time: 9:30am-10:30am

#### **Camps**

Next week we will farewell our Year 5 and 6 students as they attend a three-day camp to Bathurst and the surrounding areas to support learning in our History Key Learning Area. They will depart Tuesday Nov 10 and return Thursday Nov 12. Please note the later departure of 7:15am and the earlier arrival on Thursday at approx. 5pm. We will also have our Year 4 students attend the Great Aussie Bush Camp, participating in personal development activities and challenges from Wednesday Nov 11 and return Friday Nov 13. Year 4 students are expected to be at school at normal time and will depart at approx. 11am. We know they will have a terrific time at their respective camps.

#### **Student Leadership**

Our Year 5 students will begin the nomination process for positions in our student parliament for next year. This process begins with nomination forms that are due this week. If you have a child in Year 5 that is interested, please discuss the requirements and what expectations/requirements are expected for these roles. Students are expected to give up part of their play time throughout the year, speak at assemblies, ceremonies and special events, represent the school at functions, that may be outside of school hours (ANZAC day for example). Obviously there are behavioural and role modelling expectations as well. We look forward to seeing our nominations and then how the voting falls to reveal our leadership team for 2021.

#### **School Excellence in Action**

I hope some of you have chosen to engage in the video content of our SEiA. This model of video with sharing of information and some opportunity to provide feedback on the Google forms is hopefully a good compromise from school workshops, which we are currently not able to do. If nothing else you may have enjoyed some of the sharing of information. Please provide feedback by the end of this week (Nov 6) on the Google Forms. See Skoolbag or our Facebook page for details and accessing the videos.

#### **Staff Development Days**

The Department of Education decided last week to change the Staff Development day structure from 2021. There will now be two SDDs at the start of the year and only one at the end of year. Students will still attend for the

same amount of days. There will be no change to Term 2 and Term 3 SDD, which will occur on the first day of those terms. For your reference, the dates are as follows: SDD1 Wednesday Jan 27, SDD 2 Thursday Jan 28, Mainstream Yr1-6 return Friday Jan 29, Support Unit Students return Monday Feb 1, Kindergarten students begin Wednesday Feb 3.

### **Annual Awards Ceremonies**

We will still be holding ceremonies for academic and school excellence at school. Unfortunately, at this stage it will be student only ceremonies. Students will be recognised and then photographed during the event. All photos of students with publishing permission will be posted to social media so that we can share this event with our families. Due to the number of students with some privacy concerns we are not in a position to livestream these ceremonies. We will aim to record and edit out any privacy issues to hopefully enable us to share this with you. For those of you planning end of year activities or potential trips away, be aware the ceremonies will be held on Monday December 7. Should there be further updates or changes to guidelines, we will let you know.

### **Moving or Leaving?**

If you are planning on moving from the area and your child will no longer be enrolled at CBPS for 2021, can you please let us know at your earliest convenience. This can have a significant impact into our planning for class structures and have staffing implications.

### **Behaviour Outside of School**

It has been brought to the school's attention that there was some unsavoury behaviour at the local park involving students in uniform from Chittaway Bay PS and Killarney Vale PS late last week. This behaviour included: swearing in public and some intimidation by students as a group (you may understand this as pack mentality). These are not values that are representative of our Chittaway Bay community. Please take this opportunity to discuss expectation of behaviour and speak with your child about how they conduct themselves in a public place.

### **Seasons for Growth**

Another successful year of Seasons for Growth at CBPS. A big thank you to both Mrs McVey and Mrs Horncastle for being our caring companions. Also, a big thanks to Mrs Horton for coordinating this again in 2020. All students enjoyed their Seasons for Growth sessions and we always feel that they have benefited from taking part.

### **Student Profiles for bullying**

Students who are more likely to be bullied are also more likely to:

- feel disconnected from school and not like school
- lack quality friendships at school
- display high levels of emotionality that indicate vulnerability and low levels of resilience
- be less well accepted by peers, avoid conflict and be socially withdrawn
- have low self-esteem
- be relatively non-assertive
- be different in some way.

Students who are more likely to bully others are more likely to:

- feel disconnected from school and dislike school
- demonstrate good leadership skills
- demonstrate good verbal skills and ability to talk themselves out of trouble
- demonstrate low levels of moral reasoning and high levels of egocentric reasoning
- believe that the use of aggression is an acceptable way to achieve their own goals
- be preoccupied with their own goals and not concerned about the rights of others
- show more emotional instability, as do those students who support them
- be reasonably popular but more disliked than non-bullying peers
- be less anxious than peers
- have high self-esteem and an inflated view of themselves, especially about their social behaviour and influence
- have lower levels of empathy than other students
- have poor impulse control and poor anger management skills

- be less likely to consider the negative consequences of their actions on others or on their own relationships over time.

### **Attendance Matters!**

#### **What if my child has to be away from school?**

On occasion, your child may need to be absent from school. Justified reasons for student absences may include: being sick, or having an infectious disease

- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence. Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified.

When this happens, the school will discuss their decision with you and the reasons why. Schools may request medical certificates or other documentation when frequent or long-term absences are explained as being due to illness. Schools may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the school can record the absences as unjustified.

Have a great week of learning CBPS.

Principal

## JUDO – The Olympic Sport Largest Sport in the World\*

Judo is designed so it can be practiced by all ages, both male and female. Safety is paramount, with all participants being taught to fall correctly and avoid injury. Falling correctly is an invaluable skill that can be utilized when participating in other sports.

Flexibility and stretching exercises are part of every Judo session and unknowingly your body is engaged in isometric strength training, while you are pushing and pulling your opponents and learning to get them off-balance. Judo is a fun grappling activity and is more closely related to wrestling because there are no kicks or punches in Judo as there are in other martial arts.

\*Judo is the largest sport in the world, when considering the number of National Federations.  
Judo is the second largest participation sport in the world.

# School Travel for 2021

## 2021 school travel applications are now open

Applications for student travel in 2021 opened from Monday 12 October 2020.

Students who require a School Opal card or travel pass for 2021 can now [apply](#) online. A new application should be submitted if a student is applying for a school travel pass for the first time or requesting an additional pass as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who have changed school/campus, changed address, repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [re-apply or update their details](#).

\*Applications must be completed by the student's parent or legal guardian if the student is aged under 16 years. Students 16 years and over must complete the application form themselves.

Where there is a change of distance eligibility based on a student's grade, the system will automatically update a student's entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

If a student needs to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before **31 December 2020** to ensure that current student entitlements are updated and their current entitlement/card remains valid. If their application is submitted after 31 December 2020, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out from January 2021.

Students residing in Rural and Regional (R&R) areas should receive their travel pass at the commencement of the new school year from their nominated operator, this may be distributed via the school or sent direct to their address. **Note:** some R&R operators do not issue travel passes. Students/Parents should confirm with their nominated operator if they do not receive a pass.

### **New Concession Entitlement Cards**

Transport for NSW will be replacing the below cards with Transport Concession Entitlement Cards (TCEC) from October 2020:

- Senior Secondary Student Concession Card (16 years and over) – also used by Mature Secondary Students (18 years and over), Distance Education Students and Home School Students
- Proof of Age card (when a student under 16 years of age looks older)
- Boarder Rail Pass.

All previous cards will be valid until they expire. Students who require a Transport Concession Entitlement Card should speak with their school administration staff.

Enquiries regarding school student travel can be submitted to Transport for NSW at:

<https://transportnsw.info/contact-us/feedback/passes-concessions-feedback>

## Opal for school students

The School Opal card gives eligible school students free  
Or subsidised travel on public transport  
**between home and school**  
On trains , buses, ferries and light rail in the  
Opal network

### Don't forget a Child/Youth Opal card

It's important to remember that the School Opal card is only for travel to and from school on school days only

and doesn't cover travel to After School Care, school excursions, sport and other activities away from school, so it's a good idea to get a [Child/Youth Opal card](#) for personal travel.

#### **Are there any restrictions on when and where I can use a School Opal Card?**

Yes, a School Opal Card is for approved travel on School days only between your home and school, it covers travel that commences between 6:30am and 7pm weekdays only.

For travel outside these times you should use a Child/Youth Opal card.

#### **What should I do if my School Opal card is lost, damaged or stolen?**

Report it online and order a replacement School Opal card and a fee may apply. By doing this, the old School Opal card will be cancelled and a new one will be mailed to the customer's preferred address within five to seven days. While waiting for a replacement card, show the driver a copy of the receipt or use a child/youth Opal card to travel if eligible.

#### **Are there any alternatives to the School Opal card for ineligible students?**

Students who are not eligible for a School Opal card may be eligible to purchase a term bus pass from Transport for NSW or they can get a Child/Youth Opal Card from more than, 2100 retailers, online at [opal.com.au](http://opal.com.au) or by calling 13 67 25 (13 OPAL).
